L&T bags New Orders worth ₹1181 Cr in Buildings & Factories IC

Mumbai, January 06, 2011: Larsen & Toubro's (L&T) Buildings & Factories Independent Company - part of its Construction Division – has secured new orders aggregating to **₹1181 crore** during the third quarter for the construction of residential buildings, factories including a specialized support facility building.

L&T has secured new orders aggregating to **₹558 crore** for the construction of residential buildings in major cities from leading developers.

In yet other development, new orders worth **₹298 crore** has been secured for the construction of factories from esteemed clients.

A turnkey project has been secured from a major client worth **₹ 325 crore** for the design & construction of a specialized support building facility.

These orders further enhance the order book of the company it has already secured for major design & build contracts in Airports, IT Parks commercial and residential space.

Back ground:

Larsen & Toubro is a **USD 9.8 billion** technology, engineering and construction group, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer –focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
