## LTM Wins a \$100million Deal with European MedTech

**Mumbai, India, London, UK & Warren, N.J. February 23, 2026:** [LTM](#) –the Business Creativity partner to the world’s largest enterprises, today announced a multi-year, \$100 million strategic agreement with a MedTech company in Europe, a leading provider of innovative hearing solutions, to deliver product development and support across its flagship products. This agreement will span over seven years. Towards this, LTM will leverage iNXT, its cross-industry digital transformation and innovation platform designed to help enterprises manage the convergence of the physical and digital worlds.

As part of this agreement, LTM will develop and support the MedTech’s primary hearing instrument brands and its private labels. This includes the MedTech’s core wearable devices, the fitting application used by hearing care professionals to configure hearing aids, and the mobile application for device control. Along with technological development and support, LTM will lead and navigate complex MedTech compliance & regulatory frameworks for the client.

### **About LTM**

[LTM](#) — a Larsen & Toubro Group Company — is an AI-centric global technology services company and the Business Creativity partner to the world’s largest enterprises. We bring human insights and intelligent systems together to help clients create greater value at the intersection of technology and domain expertise. Our capabilities span integrated operations, transformation, and business AI — enabling new ways of working, new productivity paradigms, and new roads to value. Together with over 87,000 employees across 40 countries and our global network of partners, LTM\* owns outcomes for our clients, helping them not just outperform the market, but Outcreate it.
