L&T Construction Secures Orders Valued ₹ 2080 Cr

Mumbai, March 21, 2013: L&T Construction has won new orders valued over **₹ 2080 crores** across various business segments in February and March 2013.

The **Building & Factories Business** has bagged new orders worth **₹ 1385 crores** for the construction of residential towers in cities in North India

The **Power Transmission & Distribution Business** has won new orders aggregating to **₹ 585 crores** from various customers. A major order was secured from Bangalore Metrorail Corporation Limited (BMRC) for electrical and mechanical work for seven underground stations and associated tunnel sections of North- South and East - West corridors of BMRC Phase-I. For the Power Grid Corporation of India Limited, L&T will construct a 400 kV Double Circuit (Quad) transmission line between Kurukhsetra - Jallandhar and a 400 kV Double Circuit (Triple) Transmission Line for Abdullapur -Sonepat at Kurukhsetra associated with a WR - NR HVDC interconnector.

L&T Construction also received a new order from Transmission Corporation of Andhra Pradesh Limited for 220 kV underground cable laying between Malkaram & Ghanapur substation to Moulali substation in Andhra Pradesh.

Additional orders worth **₹ 110 crores** have been bagged from various ongoing jobs in the **Water & Solar and Infrastructure Business**.

Background:

Larsen & Toubro is a **USD 13.5 billion** technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is ranked 4th in the global list of Green Companies in the industrial sector by the reputed international magazine *Newsweek*, and ranked the world's 9th Most Innovative Company by *Forbes International*. L&T is one of the largest and most respected companies in India's private sector. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.

** L&T Construction is a brand of Larsen & Toubro.*
