L&T Construction Awarded (Significant*) Contracts for its Various Businesses

Mumbai, January 13, 2021: The construction arm of L&T has secured orders from prestigious clients for various businesses.

Metallurgical & Material Handling Business:

Metallurgical and Material Handling (MMH) business has received orders to construct a metallurgical plant in the domestic market, add on orders from an overseas package and product supply orders from various customers. Traction in metal prices gives a good outlook for the business in the near and medium term.

Power Transmission & Distribution Business:

L&T's Power Transmission & Distribution Business has won an Engineering, Procurement, Construction and Commissioning (EPCC) Contract to construct a 500kV Transmission Line in Malaysia that comes at the heels of the successful completion of a similar 500kV project in West Malaysia. The proposed overhead line will facilitate power evacuation from an upcoming Combined Cycle Power Generating facility in the region.

Background:

Larsen & Toubro is an Indian multinational engaged in engineering, procurement and construction projects, manufacturing, defence and services with over USD 21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
