L&T Construction Awarded (Significant*) Contracts for its Various Businesses

Mumbai, August 13, 2020: The construction arm of L&T has secured orders from prestigious clients for its varied businesses.

Water & Effluent Treatment Business:

The Water & Effluent Treatment business of L&T Construction has won its maiden order in Chandigarh from the Chandigarh Smart City Limited (CSCL) to construct a 136 MLD sewage treatment plant on a Design, Build and Operate basis.

The project aims to improve the quality of treated sewage in line with the latest NGT requirements and save potable drinking water which is presently being used for gardening and irrigating green spaces in the city.

In addition to constructing the 136 MLD sewage treatment plant, the scope of the project includes operation, maintenance, generation of power from biogas and treatment of sludge to Class A standards for re-use by CSCL.

Buildings & Factories Business:

The Buildings & Factories business of L&T Construction has secured an order from a key Government organisation in Oman to develop the infrastructure & utilities for a mixed-use facility at Muscat.

The Public Space Business Unit has secured an order for an IB School by RP - Sanjeev Goenka Group. This school is conceived as state-of-the-art international school. The scope of work includes Design and Construction of the school building with Basement + Ground+ 9 Floors with a total built up area of 2 L SFT.

L&T GeoStructure:

L&T GeoStructure has been awarded a prestigious project by IRCON International Limited, for the construction of a viaduct substructure up to pier cap level, for about 3 km as part of the Agartala-Akhaura New Rail Link Project at Agartala, Tripura. The scope includes 1100 numbers of bored cast-in-situ piles with 1200mm dia and depth of 25m. Also included are pile caps, pedestals, piers and pier caps, abutment etc.

Power Transmission & Distribution Business:

L&T's Power Transmission & Distribution Business has won orders both in India and abroad.

In India, the business has received an order from Power Grid Corporation of India Limited to establish certain transmission links connected with strengthening of the 400 kV system in the Eastern Region. Another order for a 400 kV Transmission Line package in South India has been won from a leading transmission developer.

In Africa, the business has won an order in Tanzania to Design, Supply, Install, Test and Commission a 220 kV Transmission Line.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
