L&T Construction Awarded (Large*) Contracts for its Various Businesses

Mumbai, June 23, 2020: The construction arm of L&T has secured orders from prestigious clients for its varied businesses.

Transportation Infrastructure Business:

The Transportation Infrastructure business has secured an EPC contract to construct Packages 11 and 22 of the Delhi Vadodara Expressway, which when completed will be the country's longest expressway of National Highways Authority of India under its flagship Bharat Mala program. The scope of work broadly includes 8 lane greenfield expressway of 36 Kms with perpetual pavement, service/slip roads, interchanges, ROB, major/minor bridges, vehicular/pedestrian/cattle underpasses and animal underpasses/overpasses.

The business has secured another EPC contract from the Public Works (Roads) Directorate, Government of West Bengal for the reconstruction of 4 lane Tallah ROB (Hemanta Setu) adjacent to Tallah Railway Station on Barrackpore Trunk Road, Kolkata, West Bengal. The scope of work includes the reconstruction of 4 lane Tallah ROB and viaduct connecting both ends Shyam Bazar & Dunlop, including Chitpur Ramp.

Water & Effluent Treatment Business:

The Water & Effluent Treatment business of L&T Construction has secured engineering, procurement and construction orders from State Water & Sanitation Mission, Uttar Pradesh, to implement water supply schemes for Shivhar and Parasi group of villages in Mahoba and Sonbadhra districts respectively.

The aggregate scope of the two projects includes design & construction of three intake structures, three water treatment plants of capacity 64 MLD, 1171 Km of transmission and distribution pipelines, 20 clear water reservoirs, 37 overhead service reservoirs, 20 pumphouses, 73600 house service connections, associated electromechanical & instrumentation works. The project also involves automation including measurement of input & output water quantity and quality through suitable SCADA & other instrumentation works.

The projects are designed to cater safe & potable drinking water to 3.78 lakh rural population in the aforesaid districts of UP. These are part of a larger programme of the State Government to provide piped drinking water to every rural household.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

* ***Project Classification***

Classification	**Significant**	**Large**	**Major**	**Mega**
