L&T Construction Awarded (Large*) Contracts for its Water & Effluent Treatment Business

Mumbai, December 23, 2020: The Water & Effluent Treatment business has secured multiple EPC orders for the execution of rural piped water supply schemes in various districts of Madhya Pradesh. The projects are part of Jal Jeevan Mission and cover the districts of Guna, Ashoknagar, Shivpuri, Agar Malwa & Singrauli.

The scope includes design & construction of intake structures, water treatment plants of aggregate capacity 377 MLD, transmission & distribution pipelines of length 17,513 Kms, 23 master balancing reservoirs of aggregate capacity 17.5 ML, 1313 overhead service reservoirs of aggregate capacity 193 ML, 46 nos. of sump & pumphouse of aggregate capacity 46 ML, 6.5 Lakh house service connections and associated electromechanical & instrumentation works including 10 years of Operation & Maintenance. The project also involves automation and measurement of water quantity & quality through SCADA system.

The schemes will cater to the drinking water requirement of 3103 villages covering a population of 48 Lakhs. The projects are part of the Government's ambitious plan to provide piped water supply to every rural household by 2024.

The business has also secured an order to execute Integrated Infrastructure Development Works at Gwalior.

The project envisages for the development of 800 acres of Maharajbada region in Gwalior with 16 Km of Smart Roads, 5 acres of Urban Parks, 31 Km of Storm Water Drains, Multilevel Underground Car Parking & Underground Power Distribution System.

Background:

Larsen & Toubro is an Indian multinational engaged in engineering, procurement and construction projects, manufacturing, defence and services with over USD 21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
