L&T Construction Awarded (Large*) Contract for its Buildings & Factories Business

Mumbai, October 28, 2021: The construction arm of L&T has secured a large order for its Buildings & Factories business from Central Public Works Department (CPWD) to construct Common Central Secretariat Integrated Buildings 1, 2 and 3 in Plot 137, New Delhi with a built-up area of approx. 48.11 Lakh Sq.ft. including its Operation & Maintenance.

These buildings will have a ground floor, upper ground floor plus six storeys with two basements.

This project involves the construction of cabins, cubicles and open work halls for Secretaries, Additional / Joint Secretaries along with their Private Secretaries, Deputy Secretaries / Directors, Under Secretaries, Section Officers and Assistant Secretaries. The scope of work also involves Demolition, Civil Works, Finishes, External Development, Furniture, related MEP works and Operation & Maintenance for 5 years.

The project is scheduled to be completed in 24 months.

“We thank our client for reposing confidence in our capabilities to build to speed and scale by entrusting us with this project of national importance,” commented Mr S. N. Subrahmanyam CEO & MD Larsen & Toubro. Further elaborating on the significance of the project, he added, “This project will be one of its kind, in terms of sheer scale of work to be executed within stringent timelines with highest safety & quality standards. It is also of strategic importance for it will realize the Honourable Prime Minister, Shri Narendra Modi’s dream of strengthening governance infrastructure by building new facilities for India’s Parliament, an efficient and sustainable Central Secretariat to house all the ministries of the Government of India.”

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
