L&T Construction Secures Orders Valued ₹ 1063 Crores

Mumbai, Sep 03, 2012: L&T Construction has won new orders valued over ₹ 1063 Crores across various business segments during the month of August 2012.

The Infrastructure IC of L&T Construction has bagged a major order worth ₹ 377 crore from Delhi Metro Rail Corporation Limited for the construction of elevated viaduct and stations. This project is the part of Phase-III of Delhi MRTS.

In the Railways business sector, a new order valued at ₹ 212 crore has been secured from Rail Vikas Nigam Limited for doubling the lines of the Rewari - Manheru section on the Bikaner division of North Western Railway.

In the Building & Factories IC, the company has secured orders aggregating ₹ 474 crore which include design and construction of an IT campus in the southern part of India and construction of residential towers in Mumbai. This also includes additional orders from various ongoing building projects.

Background:

Larsen & Toubro is a USD 12.8 billion technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.

** L&T Construction is a business brand of Larsen & Toubro Limited.*
