L&T bags New Orders worth Rs.1025 crore in Buildings & Factories Segment

Mumbai, August 04, 2010: Larsen & Toubro's Buildings & Factories Operating Company (B&F-OC) – part of its Construction Division – has secured orders aggregating to Rs. 1025 crore for the construction of two hospital buildings, residential projects in Mumbai and a cement plant from a major cement manufacturer.

These orders further enhance the order book of the B&F-OC, which has already secured major design & build contracts for airports, IT parks and commercial space. L&T has a major market share in these segments.

Back ground:

L&T is a USD 9.8 billion technology, engineering and construction group, with global operations. It is one of the largest and most respected companies in India's private sector.

A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership position in its major lines of business over seven decades.
