L&T Bags ₹2056 crore Orders

Mumbai, January 02, 2012: L&T Construction has bagged new orders valued over **₹ 2056 crore** across various business segments during December 2011.

The **Water and Effluent Treatment** business has bagged two major orders aggregating **₹ 1262 crore.** One order has been secured from The Tamil Nadu Water Supply and Drainage Board for combined water supply scheme at various locations in Madurai, Sivagangai and Vellore districts in Tamil Nadu. Another major order has been received from Raipur Vikas Pradhikaran for the construction of underground storm water pipelines, sewerage, water supply and other associated works at Raipur.

In the **Buildings & Factories** segment a new order worth **₹ 388 crore** has been secured from a reputed developer in Mumbai for the construction of 4 residential towers (Basement + Ground + floors varying from 63 to 64 stories).

In the **Rail Infrastructure** segment, new orders including additional orders aggregating **₹ 406 crore** has been bagged from various clients. This include a major order for the construction of a viaduct including Electrical, Signaling and Telecommunication works between Villupuram - Virudhachalam - Ariyalur section from Rail Vikas Nigam Limited (RVNL).

Background:

LARSEN & TOUBRO

Larsen & Toubro is a USD 11.7 billion technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer - focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
