L&T Construction Wins Orders Valued ₹2004 Cr

Mumbai, April 5, 2013: L&T Construction has secured new orders valued over **₹2004 crores** across various business segments in March 2013.

The **Building & Factories Business** has bagged new orders worth **₹1070 crores** for the construction of residential apartments in the southern part of the country.

The **Power Transmission & Distribution Business** has won new orders worth **₹389 crores** for the construction of 400 kV and 200 kV transmission lines at various locations across India.

The Company also received orders worth **₹347 crores** for its **Water & Renewable Energy Business** for the construction of water supply, waste water and sewerage schemes across the country.

L&T Construction has also bagged additional orders worth **₹198 crores** from various ongoing projects across various other Business Units.

Background:

Larsen & Toubro is a **USD 13.5 billion** technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is ranked 4th in the global list of Green Companies in the industrial sector by the reputed international magazine *Newsweek*, and ranked the world's 9th Most Innovative Company by *Forbes International*. L&T is one of the largest and most respected companies in India's private sector. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.

** L&T Construction is a brand of Larsen & Toubro.*
