L&T Construction Secures Orders Valued ₹1454 Crore

Mumbai, March 7, 2012: L&T Construction has won new orders valued over **₹1454 crore** across various business segments in February and March 2012.

The Company's **Water and Effluent Treatment business unit** has secured new orders worth **₹ 579 crore** from Tamil Nadu Water Supply & Drainage Board. The scope includes providing Combined Water Supply Scheme to Attur -Narsingpuram municipalities and The Vallore Corporation. The Scheme will cater to 20 town panchayats and 1345 rural habitations in Salem District and 11 municipalities, 5 town panchayats and 944 rural habitations in Vellore district.

The **Power Transmission & Distribution IC** has secured new orders in both domestic and international markets from reputed customers. Domestic orders worth **₹ 351 crore** include construction of an electrical balance of plant works for a 2x660 MW super thermal power plant from a leading developer and another order from Gulbarga Electricity Supply Company Limited under RAPDRP (Part -B) scheme for various electrical works in Gulbarga and Bidar districts in Karnataka. International orders are valued at **₹ 320 crore** for construction of a 132/11 kV Substation in Kuwait.

In **Building & Factories IC**, additional orders worth **₹ 204 crore** have been bagged from various ongoing projects.

Background:

Larsen & Toubro is a **USD 11.7 billion** technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer - focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
