## L&T Construction Wins Orders Valued ₹ 2048 Crores

**Mumbai, November 5, 2015**: The Construction arm of Larsen & Toubro Limited has won orders worth **₹ 2048 crores** across various business verticals in October 2015.

**Power Transmission & Distribution:**

The Business has won orders worth **₹ 758 crores** in both the international and domestic markets.

On the international front, Larsen & Toubro Saudi Arabia LLC, a fully owned subsidiary of L&T, has bagged an order against stiff competition from local players for the construction of four 132kV substations in Riyadh from National Grid, Saudi Arabia, a subsidiary of Saudi Electricity Company.

The scope involves detailed design, engineering, construction, testing and commissioning of 132 kV gas insulated switchgear, 132/13.8 kV, 50/67 MVA power transformers, 132/33 kV, 80/100 MVA power transformers, 13.8 kV switchgears, 33 kV switchgear, control and protection systems, substation automation systems, HVAC, Novec Fire Fighting System along with associated auxiliary system and civil works.

These projects are in the Central Province of Saudi Arabia and will be completed in 22 months.

In the domestic market, the business has bagged an order from Power Grid Corporation of India Limited for engineering, procurement and construction of a 765kV GIS substation package at Aligarh under the Interregional System Strengthening Scheme.

**Transportation Infrastructure:**

The Business has secured orders worth **₹ 732 crores**.

The order is from the National Highway Authority of India (NHAI) for the construction of a six-lane elevated corridor from Chandigadh to Kharar in the state of Punjab.

This project is to be completed in 30 months and involves the construction of 10.185 km of four-lane dual carriage way along with three elevated corridors of a cumulative length of 3.37 km.

The business has also bagged an order from the Lucknow Metro Rail Corporation Limited for the design, supply, installation, testing and commissioning of receiving cum auxiliary main cum traction sub stations including high voltage cabling from grid substation, 25Kv flexible/rigid OHE, sectioning post, 33Kv cable networks, ASS & SCADA System including catenary maintenance vehicle/rail cum road vehicle for Lucknow MRTS phase-I.

**Buildings & Factories:**

The Business has secured orders worth **₹ 558 crores** including add-ons.

An order has been received from a leading real estate developer for the construction of 13 residential towers (Stilt + 14 Floors) in Chennai. The scope involves civil and structural works.

Another order has been bagged from a reputed cement producer for setting up its cement plant in Rajasthan which is an expansion of its existing 2 lines which had also been executed by L&T.

**Background:**

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 15 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Construction is a brand of Larsen & Toubro
