Subject: Submission of Revised XBRL Filing for Financial Results for the Quarter and Nine months ended December 31, 2025

Ref: NSE Email dated March 11, 2026, seeking clarification regarding the mismatch in Profit Before Tax (PBT) between the XBRL filing and the PDF submission.

Dear Sir/Ma'am,

With reference to the captioned subject and the clarification sought by the Exchange, we wish to clarify that the discrepancy in the "Total Profit Before Tax" figure was due to an inadvertent clerical error. Specifically, an "Exceptional Item" was incorrectly entered as a positive figure in the XBRL utility, whereas it was a negative figure.

We wish to confirm that this error was limited solely to the data entry within the XBRL filing. All other financial information, disclosures, and the previously submitted PDF results remain accurate and unaffected.

In view of the above, we are hereby submitting the revised XBRL filing with the corrected figures.

We request you to kindly take the revised XBRL filing on record and regret any inconvenience caused.

Thanking you,

Yours faithfully,

For LUMAX INDUSTRIES LIMITED
