ORDER

PER: SHRI ASHOK KUMAR BHARDWAJ, MEMBER (J)

The captioned Company Petition has been jointly filed by **Lumax Ancillary Limited** (hereinafter referred to as “Petitioner No. 1/Transferor Company”) and **Lumax Auto Technologies Limited** (hereinafter referred to as “Petitioner No. 2/Transferee Company”) under Sections 230 to 232 of the Companies Act, 2013, read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016, seeking sanction of the Scheme of Amalgamation. The said Scheme is annexed to the Petition as “Annexure–P/1”. The prayer made in the Petition reads thus: -

- “a) Pass an order sanctioning the present Scheme of Arrangement for Amalgamation so as to be binding on all the shareholders and creditors of the Petitioner Companies;*
- b) Pass an order that the entire business and the whole of the undertaking(s), properties and liabilities of the Petitioner Company 1 (Transferor Company), shall, without any further act, instrument, deed, matter or thing, stand transferred and vested in and/or deemed to be transferred to and vested in the Petitioner Company 2 (Transferee Company) as a going concern;*
- c) Pass an order that all proceedings pending, if any, against the Petitioner Company 1 (Transferor Company) be continued against the Petitioner Company 2 (Transferee Company);*
- d) Pass an order that the Petitioner Company 1 (Transferor Company) is dissolved without winding up;”*

2. As can be seen from the Scheme placed on record, Lumax Ancillary Limited (“Petitioner No. 1/Transferor Company”), is proposed to be

amalgamated with Lumax Auto Technologies Limited ("Petitioner No. 2/Transferee Company"). The Transferor Company is a wholly owned subsidiary of the Transferee Company.

3. The rationale of the proposed Scheme of Amalgamation, as stated by the Petitioners, read thus:

- *"The Transferor Company is a wholly owned subsidiary of the Transferee Company. Also, both the Companies are engaged in similar line of business i.e. related to Automotive Sector, hence, after consolidation of both the companies in a single entity, management would be able to effectively manage the Transferor Company and the Transferee Company as a single entity, which will provide several benefits including simplification of corporate structure by elimination of multiple entities driven with single focused management team.*
- *The amalgamation will contribute in furthering and fulfilling the objectives and business strategies of both the companies thereby accelerating growth, expansion and development of the respective businesses through the Transferee Company. The amalgamation will thus enable further expansion of the Transferee Company and provide a strong and focused base to undertake the business more advantageously. Further, this arrangement would bring concentrated management focus, integration, streamlining of the management structure, seamless implementation of policy changes and shall also help in enhancing the efficiency and control of the Transferor Company and Transferee Company.*
- *Further, the independent operations of the Transferor Company and Transferee Company leads to incurrance of significant costs, duplication of administrative & establishment costs and the amalgamation would enable economies of scale by attaining critical mass and achieving cost saving and better financial management*

of resources. The amalgamation will thus eliminate a multi-layered structure and reduce managerial overlaps, which are necessarily involved in running multiple entities and also prevent cost duplication that can erode financial efficiencies of a holding structure and the resultant operations would be substantially cost-efficient. This Scheme would result in simplified corporate structure of the Transferee Company and its businesses, thereby leading to more efficient utilization of capital and creation of a consolidated base for future growth of the Transferee Company.

- *The Amalgamation of Transferor Company and Transferee Company will create synergy benefits for the stakeholders of the Transferee Company and it shall optimize the valuation of the consolidated Transferee Company. The amalgamation would also increase operational efficiency and integrate business functions.*
- *The proposed arrangement will provide greater integration and flexibility to the Transferee Company and strengthen its position in the industry, in terms of the asset base, revenues and service range.*
- *The other benefits the proposed amalgamation include:*
 - a) *Simplification of the corporate structure by elimination of multiple entities driven with single focused management team.*
 - b) *Incremental operational efficiencies & administrative synergies by pooling of financial, human, technological, managerial resources & expertise.*
 - c) *Cost reduction as a result of elimination of duplication of administrative expenses, overheads, compliances etc., and optimum utilization of the resources.*
 - d) *Better alignment, coordination and streamlining of day-to-day operations, leading to improvement in the overall working culture and environment.*

e) Unlocking potential synergies across products, customers, technology and manufacturing excellence.”

4. The First Motion Order was passed in CA (CAA) No. 79/ND/2024 on 28.07.2025, whereby this Tribunal dispensed with the requirement of convening meetings of the shareholders and creditors of the Transferor Company as well as the Transferee Company. The relevant excerpt of the said Order reads thus:-

“ 21. In the present case, the Transferor Company is a wholly owned subsidiary of the Transferee Company. The unsecured creditors of the Transferor Company have provided their consent to the proposed Scheme in terms of Section 230(9) of the Companies Act, 2013. Furthermore, 100% of the equity shareholders of the Transferor Company have also consented to the Scheme. In light of these facts, and following the ruling of the Hon'ble jurisdictional High Court in Adobe Properties Private Limited with AMP Motors Private Limited (supra), the requirement to convene meetings of the shareholders and creditors of the Transferor Company is hereby dispensed with.

22. In the case of the Transferee Company, which is the holding company of the Transferor Company, it is submitted that there will be no variation in the rights of its shareholders as a result of the proposed amalgamation. Furthermore, as averred in the affidavit, the Transferor Company will continue to maintain a positive net worth post-amalgamation. In light of these factors, and in accordance with the judgment of the Hon'ble jurisdictional High Court in Adobe Properties Private Limited with AMP Motors Private Limited (supra), the requirement to convene meetings of the shareholders and creditors of the Transferee Company may be dispensed with.”

5. In the captioned petition filed by the Petitioner Companies, this Tribunal, vide Order dated 19.08.2025, directed the Petitioner Companies to

issue individual notices to the concerned statutory/regulatory authorities and to publish notice of the Petition in the Delhi editions of the “*Financial Express*” (English Daily) and “*Jansatta*” (Hindi Daily) newspapers, in terms of Rule 7 of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016.

6. In compliance with the aforementioned directions, the Petitioner Companies through their respective authorized representatives, filed affidavit of service dated 08.09.2025, confirming the service of notice to the concerned statutory/regulatory authorities and also publication of the notices on 05.09.2025 in the Delhi editions of the “*Financial Express*” (English Daily) and “*Jansatta*” (Hindi Daily) newspapers.

7. **OBSERVATIONS OF STATUTORY AUTHORITIES**

I. **Registrar of Companies (RoC)/Regional director**

- i. As can be seen from the records, the Regional Director (“RD”) has filed his representation/affidavit dated 22nd December 2025, annexing thereto the Report of the Registrar of Companies (“RoC”) dated 24th November 2025, pointing certain observations in respect of the Petitioner Companies concerning the proposed Scheme of Amalgamation. The observations/objections raised by the RoC/RD in its Report reads thus:-

“8.

1. As per the shareholding pattern, the Transferor Company is wholly-owned subsidiary of Transferee Company and section 233 of the Companies Act, 2013 provides for amalgamation of

holding company and its wholly-owned subsidiary by way of Fast Track merger through Regional Director, MCA. Thus, the companies may be asked why they have not opted for amalgamation u/s 233 of the Act.

2. As per Auditors report for F.Y. 2024-25 for the Transferor Company, the company has pending statutory dues in relation to Goods and Service Tax. The company may be asked to clarify the same.

3. As per Auditors report for F.Y. 2024-25 for the Transferor Company, the company has pending litigation shown as Contingent Liabilities in financial statements. Thus, the company may be asked to clarify the same.

4. As per Auditors report for F.Y. 2024-25 for the Transferor Company, the auditor at Point ii (b) in Annexure B has stated that "During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks and financial institution on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are in agreement with the unaudited books of account. However, the Company has not filed return or statements for the quarter ended March 31, 2025 with the banks". The company may be asked to clarify the same.

- ii. The Petitioner Companies have filed their replies dated 26th December 2025, furnishing their explanations with respect to the observations

made by the RoC/RD. The reply filed by the Transferor Company is *pari materia* to the reply filed by the Transferee Company. The relevant paragraphs of the reply filed by the Transferor Company are reads thus:-

i. Reply to Paragraph 8 (1):

It is respectfully submitted that the observation of the Registrar of Companies is duly noted. In this regard, it is submitted that while the Transferor Company is a wholly-owned subsidiary of the Transferee Company, the provisions of Section 233 of the Companies Act, 2013 ("Act") provide an enabling and discretionary mechanism for amalgamation and a company falling within the ambit of the said section is also permitted to seek approval of a scheme of merger or amalgamation in accordance with the provisions of Section 232 of the Act. In Particular, Section 233(14) of the Act states as follows:

"A company covered under this section may use the provisions of section 232 for the approval of any scheme for merger or amalgamation."

Thus, considering that the Transferee Company is a listed Company, the Petitioner Companies, after due consideration of the nature, scope and implications of the proposed amalgamation, have opted to pursue the Scheme under Sections 230 to 232 of the Companies Act, 2013, which entails examination and sanction by this Hon'ble Tribunal."

and upon the Scheme becoming effective, all statutory liabilities, including disputed dues, if any, of the Transferor Company shall stand transferred to and vested in the Transferee Company and the Transferee Company shall duly discharge and comply with the same in accordance with law, without prejudice to its rights, contentions and remedies available under applicable law. Accordingly, no prejudice shall be caused to the interests of the Revenue.

iii. Reply to Paragraph 8 (3):

It is respectfully submitted that the litigations disclosed as contingent liabilities, as referred to in the Auditor's Report for the financial year 2024-25 of the Transferor Company, relate to statutory dues which are under dispute as explained in paragraph (ii) above. The said matters are statutory in nature and have been appropriately disclosed as contingent liabilities in accordance with the applicable accounting standards.

It is further submitted that as provided under Clause 5 of Part-II of the Scheme of Amalgamation, with effect from the Appointed Date and upon the Scheme becoming effective, all pending litigations, if any, pertaining to the Transferor Company shall stand transferred to and vest in the Transferee Company. The Transferee Company shall, thereafter, prosecute, defend and otherwise deal with such litigations in accordance with applicable law.

iv. Reply to Paragraph 8 (4):

It is respectfully submitted that the Transferor Company has been regularly and duly submitting its quarterly statements to the bank. In this regard, the quarterly statement for the quarter ended on March 31, 2025 was submitted to the bank on May 30, 2025, subsequent to the signing of the financial statements of the Transferor Company for the financial year ended March 31, 2025. Accordingly, the requisite compliance has been duly completed.

v. Reply to Paragraph 8 (5):

It is respectfully submitted that the contents of Clause 4 of Part-IV of the Scheme are noted and agreed to. It is confirmed that all costs, charges, fees, taxes including duties (including the stamp duty, if any, applicable in relation to this Scheme) levies and all other expenses, if any (save as expressly otherwise agreed) arising out of or incurred in carrying out and implementing the terms and conditions or provision of this Scheme and matters incidental thereto shall be borne and paid by the Transferee Company, in accordance with the said clause.
