Fax Nos: 022-26598237/38**Company Code – LUMAXTECH**Kind Attn. : **Mr. Hari K. – Vice President**Sub : **Setting up of Green Field project in Bangalore for supplies to HMSI**

This is to inform that the company has secured business from Honda Motorcycle & Scooters India (HMSI), the leader in the scooter segment in India for supply of plastic moulded parts for various models to be manufactured at their 3rd Facility in Bangalore including Activa Scooter (110 cc), Dream Yuga motorcycle (110 cc) launched by HMSI.

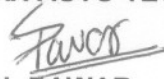

Our Company will be setting up dedicated manufacturing facilities for supply under this arrangement for HMSI with an estimated Project cost of Rs.80 Crore, majority of which will be funded through our internal accruals. The plant is expected to be operational by Q1 of FY 2013-14.

As per the market reports, HMSI, leader in the scooter segment in India, enjoys 45% market share in the segment with its Activa, Dio and Aviator Scooters, therefore the Company expects that this opportunity will generate good business and profitability for us in future, since HMSI is adding 1.2 mn unit capacity in Bangalore. Thus India will become the biggest market for Honda's two wheeler business by 2015 and would account for 30% market share of its overall global market.

Lumax Tech enjoys strong position in Automotive Components sector. The Company is a Tier I manufacturer of Automotive Lightings in most of the contracts, Sheet Metal Parts, Gear Shifters, Moulded Parts, Seat Frames, Leveler Device, Air Intake System & Intake Ducts primarily for 2-wheeler, 3-wheeler and 4-wheeler applications. The Company and its 100% subsidiary, Lumax DK Auto Industries Ltd. (LDK) including its 50% Joint Venture, Lumax Cornaglia Auto Technologies Pvt. Ltd. (LCAT) have Eleven manufacturing units, strategically located near manufacturing units of major OEMs. For the FY 2012, the Company, on consolidated basis achieved Net Sales of Rs. 751 Crore, PBIT of Rs. 62 Crore and PAT of Rs. 51 Crore.

The above is for information.
