Lupin Launches Aptivate Champion Run for Kids *Promoting Well-being and Good Eating Habits*

Mumbai, India, February 3, 2023: Lupin Life, the Consumer Healthcare division of Lupin, today announced the first-ever Aptivate Champion Run for Kids on February 12, 2023, at MMRDA Grounds, Bandra Kurla Complex, Mumbai. The Aptivate Champion Run will encourage parents and children to together improve children's health and well-being through physical activity and better appetite.

The Aptivate Champion Run offers three categories of run for children, including a 500-meter run for 4-7-year-olds preferably with their parents, a 1.5-kilometer timed run for 8-10-year-olds, and a 2.5-kilometer timed run for 11-13-year-olds. At the conclusion of the event, all participants will be given certificates and medals as a symbol of their accomplishment. Post-run there will be other activities such as trampolines, bouncy castles, toy trains, zumba sessions and more to celebrate the event. Neha Dhupia, an actress, TV personality and a mother of two children, will officially flag off the event and hand over trophies to the winners.

Through this important initiative, Lupin Life encourages children from Mumbai, Thane, and Navi Mumbai to participate in the Aptivate Champion Run. Lupin's Aptivate syrup helps children enhance their health and overall well-being by naturally boosting their appetite. This formulation, created from 100% Ayurvedic ingredients like amla, giloy and pippali improves immunity and naturally increases energy levels in children.

Commenting on the announcement, **Rajeev Sibal, President – India Regional Formulations, Lupin** said, "The Aptivate Champion Run for Kids is more than just a run. It is a celebration of our commitment to the health and well-being of children. Through this run, we hope to inspire children to lead healthier lives and strengthen their immunity through the joy of physical activity and running.
