## Lupin Announces Completion of Pharmacovigilance Inspection by the U.S. FDA with No Observations

**Mumbai, Baltimore, March 25, 2023:** Global pharma major Lupin Limited (Lupin) today announced that the United States Food and Drug Administration (U.S. FDA) has completed a Post-marketing Adverse Drug Experience (PADE) inspection of the company's operations. The inspection closed with no observations.

The inspection was conducted at Lupin's global pharmacovigilance group based out of Mumbai from 20<sup>th</sup> March to 24<sup>th</sup> March, 2023. The inspection included a comprehensive scrutiny of practices and procedures for reporting of adverse events of Lupin's marketed products worldwide.

"As a pharmaceutical company, ensuring the safety of patients is our top priority. We are pleased to have successfully completed the FDA inspection for our Pharmacovigilance group with zero observations. This continues to demonstrate our unwavering commitment to compliance and patient safety," said **Nilesh Gupta, Managing Director, Lupin.**

### About Lupin

Lupin is an innovation-led transnational pharmaceutical company headquartered in Mumbai, India. The Company develops and commercializes a wide range of branded and generic formulations, biotechnology products, and APIs in over 100 markets in the U.S., India, South Africa, and across the Asia Pacific (APAC), Latin America (LATAM), Europe, and Middle East regions.

The Company enjoys a leadership position in the cardiovascular, anti-diabetic, and respiratory segments and has a significant presence in the anti-infective, gastrointestinal (GI), central nervous system (CNS), and women's health areas. Lupin is the third-largest pharmaceutical company in the U.S. by prescriptions. The company invested 8.7% of its revenue in research and development in FY22.

Lupin has 15 manufacturing sites, 7 research centres, more than 20,000 professionals working globally, and has been consistently recognized as a 'Great Place to Work' in the Biotechnology & Pharmaceuticals sector.
