Lupin's generic Albuterol Sulphate MDI will be manufactured at its Indore (Unit III) facility in India.

Commenting on the development, Vinita Gupta, CEO, Lupin said, "Approval of our generic Albuterol MDI is a significant milestone in our complex generics evolution and a validation of our Inhalation team's development capabilities, backed by our global manufacturing strength in handling multiple dosage forms. The approval is timely as Albuterol MDI is a key rescue inhalation product for asthma patients who are at an increased risk of COVID-related complications.
