\$Below is the relevant extract of the description of the object(s) as stated in the placement document:

"Details of the Objects:

1. Funding capital expenditure requirements for setting up of the new innovation centre at Mahape: We are currently in the process of setting up a new innovation center in Mahape. The innovation Centre will provide us the opportunity to scale our R&D efforts in line with the growing

manufacturing sites and product pipeline. This center spread across 2100 square meters will not only enable the current chemistry platform research to be done more efficiently but will also provide ample infrastructure for new platforms and scaling up of existing technologies and building new teams. As the company and business expand this innovation center is being set up to keep pace with the same growth. The R&D in India, across the group, is envisaged to be housed at this new innovation center.

2. Funding capital expenditure requirements for setting up of the new manufacturing facilities at Dahej:

The Mahad facilities, spread over 40 acres are almost fully occupied. Thus, to enable, further expansion and to provide for manufacturing diversification and geographic de-risking, we acquired a land parcel of 84.71 acres in Dahej in Fiscal 2023. The expansion at Dahej will add to the capacity of the manufacturing facility at Mahad and also provide business continuity to customers. The Board, has approved a capex spend of about ₹ 7,100.00 million to develop the first phase of the Dahej facility. The Dahej facility will see the first expansion work commencing from Fiscal 2024 onwards. This phase will be expanding product capacities across currently produced products.

3. General Corporate Purposes:

Such general corporate purposes may include, but are not restricted to meeting fund requirements which our Company may face in the ordinary course of business, any additional capital expenditure, repayment or prepayment of our borrowings, strategic initiatives, partnerships, tie-ups, joint ventures or acquisitions, investment in our Subsidiaries, meeting working capital requirements of our Company incurred in the ordinary course of business, meeting exigencies and expenses, logistics expenses, installation expenses, accessories, freight, and other expenses in relation to our proposed capital expenditure, and any other purpose as may be approved by our Board or a duly appointed committee from time to time, subject to compliance with the necessary provisions of the Companies Act, 2013.”

Note: The above capital expenditure related objects are towards part financing the respective projects.
