Dear Sirs,

Re: Update on News clarification- Article in The Times of India dated February 24, 2016 captioned "28 SUSPENDED Over 400 go on strike at Nano plant in Gujarat"

This is with further reference to our letter No. Sc-15302 dated February 24, 2016 clarifying on the said article in Times of India, We would like to inform you that the workmen have called off the strike and resumed duty from March 23, 2016 and normalcy has been restored at the Sanand plant.

We reiterate that Sanand is one of our six plants in India and manufactures the 'Nano' and the new hatchback car 'Tiago'. Being manufacturers of the complete range of CVs and a portfolio of PVs, this said event does not have a material impact on the overall Company's operation/performance, as prescribed under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Yours faithfully,
Tata Motors Limited

H K Sethna
Company Secretary
