Dear Sir,

This is in continuation of our letter dated 15th October, 2015 under which we had informed the exchange that the Hon'ble BIFR had at its hearing held on 14th October, 2015 declared the rehabilitation scheme sanctioned for JCT ELECTRONICS LIMITED as failed. It had also in the said hearing confirmed its earlier opinion that the company be recommended for winding up to the High Court as no objections/suggestions had been received against the statutory notice published by them in this regard.

The said recommendations were forwarded by BIFR to the Punjab High Court at Chandigarh with copy to the Official Liquidator. The case was listed in the third week of December, 2015 but could not be taken up as the Judge was on leave on that date and the matter was posted for 1st February, 2016. On the said date the Judge after hearing the matter admitted the petition and issued notice to the creditors, who had appeared before BIFR for 20th May, 2016. Meanwhile the Hon'ble Court appointed the Official Liquidator attached to the court as the Provisional Liquidator with directions to take charge of the assets and records of the company. The Court ordered publication of the factum of admission in the news papers at Chandigarh and the official gazette of the Govt of Punjab.

Thanking you,

Yours faithfully,
For JCT ELECTRONICS LIMITED
