Deptt. Of Corporate Services
25th Floor, P J Towers,
Dalal Street,
Mumbai – 400 023
Company Code: 500222

Dear Sir,

This is in continuation of our letter dated 29th July, 2015 informing you about the declaration of rehabilitation scheme passed for the company as failed by the Hon'ble BIFR at its hearing held on 8th July, 2015. Pursuant to the same, the BIFR had ordered issue of notice for the proposed winding up of the company to be published in the news papers inviting objections/ suggestions, if any, from shareholders, creditors etc. In terms of the said direction, the statutory advertisement was published in the newspapers on 6th August, 2015 wherein objections, if any, were to be filed with BIFR within 60 days of the publication and the case was listed for mandatory hearing on 14th October, 2015.

In the mandatory hearing held yesterday, the Hon'ble BIFR after verifying that no objections/suggestions had been received and further on confirming from all banks, financial institutions, workers etc. present, passed the order declaring the company to be wound up.

Thanking you,

Yours faithfully,
For JCT ELECTRONICS LIMITED
