Sub.: Corrections in Management Presentation

Dear Sir/Madam,

With reference to the Management Presentation on the audited financial results of the Company for the quarter and year ended March 31, 2016 submitted with you on May 30, 2016, please note the following correction due to inadvertent and unintentional errors therein:

"The total area of 61 showrooms has been incorrectly mentioned in the presentation. The correct area for 61 showrooms is 3,53,413 sq. ft. For the 10 showrooms that were opened in FY 2016, area is 39000 sq. ft."

Apologies for the confusion. Kindly take the same on record.

Thanking you.

Yours sincerely,
For **PC Jeweller Limited**
