LIMITED REVIEW REPORT

The Board of Directors
Bhushan Steel Limited

We have reviewed the accompanying statement of unaudited standalone financial results of **Bhushan Steel Limited** (the Company) for the quarter and half year ended 30th September, 2016 and the statement of assets and liabilities on that date together with the notes thereon (the statement), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the corresponding quarter and half year ended 30th September, 2015, including the reconciliation of loss under Ind AS of the corresponding period with loss reported under previous GAAP, as reported in these financial results have been approved by company's Board of Directors but have not been subjected to review.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

1. *The Supreme Court of India vide its order dated 24.09.2014, cancelled number of coal blocks allocated to various entities, that includes one coal block allocated to the company and one of its associate company, which were under development. Subsequently, the Government of India has passed the Coal Mines (Special Provision) Act, 2015, which, inter-alia, deals with the payment of compensation to the affected parties in regard to their investment in the de-allocated coal blocks.*

No effect has been taken by the company on the value of investment made by the company in the de-allocated coal blocks amounting to Rs.562.90 crores [including expenditure incurred Rs.135.46 crores and advance given Rs.427.44 crores] and Rs.6.69 crores in Equity Shares/advance for share capital in the associate company, whose coal blocks have been de-allocated. In the opinion of the management, the Company/associate company will receive back the payment/expenditure paid/made, including borrowing cost and other incidental expenditure, relating to de-allocated coal blocks. The Company has filed its claim for compensation with Government of India, Ministry of Coal. Subsequently, the Company has filed a petition for recovery of the amount before the Hon'ble Delhi High Court, in which notice has been issued to Union of India and others.

We are unable to comment on the impact on the value of investment made by the company and its associate in the de-allocated coal blocks and their consequent impact on the losses.

2. *The company adopted Indian Accounting Standard (Ind AS) from 1st April, 2016 and accordingly these financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 Interim Financial Reporting prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued there-under except non reclassification of preference shares along with premium thereon as borrowings and consequential effect thereof.*

Qualified Conclusion

Based on our review conducted as above, except for the matters described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there-under or by the Institute of Chartered Accountants of India and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
