Dear Sir/Madam,

Re: Disclosure pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Subject: U.S. FDA classifies the inspection of Lupin's Pithampur (Indore) Unit-2 facility as OAI

The Company has received a letter from the U.S. FDA classifying the inspection conducted at its Pithampur (Indore) Unit-2 facility in January 2019 as Official Action Indicated (OAI). The U.S. FDA has stated that this facility may be subject to regulatory or administrative action and that it may withhold approval of any pending applications or supplements in which this facility is listed.

The Company does not believe that this classification will have an impact on disruption of supplies or the existing revenues from operations of this facility.

The Company is in the process of sending further updates of its corrective actions to the U.S. FDA and is hopeful of a positive outcome.

This may kindly be considered as a disclosure pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
