Lupin Ranks No. 1 Globally in Pharma; Tops All Sectors in India in S&P ESG Assessment 2025

Mumbai, February 26, 2026: Global pharma major Lupin Limited (Lupin) today announced its recognition among the top 1% of companies worldwide in the S&P Global Corporate Sustainability Assessment (CSA). Lupin attained a score of 91 out of 100, establishing itself as the leading pharmaceutical company globally, and the leader across all sectors in India, surpassing both Indian and international peers.

The S&P Global Corporate Sustainability Assessment—one of the world’s most comprehensive ESG benchmarks—evaluates companies on industry-specific economic, environmental, and social criteria. Lupin has been included in the Sustainability Yearbook 2026 for the third consecutive year. Yearbook members are selected based on scores from the S&P Global 2025 Corporate Sustainability Assessment, with companies required to rank in the top 15% of their industry and within 30% of the industry’s top performer. Of the more than 9,200 companies assessed across 59 industries, 848 earned Yearbook inclusion.

“This recognition by S&P Global places Lupin among the topmost global sustainability leaders and reinforces our long-term commitment to embedding ESG principles into our business strategy,” said **Ramesh Swaminathan, Executive Director, Global CFO and Head of IT and API Plus SBU, Lupin**. “It strengthens our resolve to accelerate our sustainability roadmap and deepen ESG integration across our value chain, while continuing to create positive outcomes for patients, communities, and stakeholders worldwide.”
