Subject: Clarification regarding Corrigendum issued for revision in issue price of warrants

Dear Sir/Madam,

This is with reference to the outcome of the Extraordinary General Meeting (EGM) of the Company held on September 01, 2025, wherein the shareholders approved the issuance of warrants convertible into equity shares on a preferential basis.

We wish to clarify that before the conclusion of EGM, the Company has issued a Corrigendum for the purpose of intimating the shareholders regarding a revision in the issue price of the said warrants.

The Corrigendum clarifies that the issue price of the warrants shall be read as Rs. 170.04 per warrant instead of Rs. 170 per warrant, as mentioned earlier. This revision has been made to align with the pricing in accordance with the applicable provisions of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018.

Since the EGM has already been concluded, the Company shall intimate the shareholders of such revision by uploading a **Clarification Letter** in this regard in compliance with Regulation 30 of SEBI (LODR) Regulations, 2015, informing them of the above revision in the issue price on the NEAPS Portal of NSE. This is being done in the interest of transparency and to ensure accurate communication regarding the preferential issue.

We request you to kindly take the above on record and treat this as a necessary clarification in respect of the issue price of the warrants.

Thanking you,

Yours faithfully,
For **MACOBS TECHNOLOGIES LIMITED**

SHIVAM BHATEJA
