Building Trust, Delivering Results: Our promise to investors, partners, and stakeholders.

Rishit Kotecha
Chairman cum Managing Director

Dear Valued Stakeholders,

I am delighted to report that our company has achieved exceptional growth and success in the first half of FY 2025, driven by the relentless efforts of our sales team and the unwavering support of our channel partners.

Financial Highlights:

Our consolidated operational revenue has soared by 83.46% to ₹99.58 crore, up from ₹54.28 crore in H1 FY2024. This impressive growth is complemented by a 106% increase in EBITDA to ₹12.24 crore, compared to ₹5.94 crore in H1 FY2024.

Furthermore, our Profit After Tax (PAT) has risen by 97.25% to ₹6.53 crore, up from ₹3.31 crore in H1 FY2024.

Branded Sales Growth:

As committed in our earlier earnings calls, we have made significant progress in reducing non-branded sales. I am pleased to report that we have achieved 63% of branded sales in H1 FY-25 out of total sales.

Operational Enhancements:

To better serve our customers and ensure timely deliveries, we have implemented several operational enhancements. We have added four packaging lines at our Vitagreen (Rajkot) factory, enabling constant and smooth supply of small packets. Two new delivery vehicles, namely Eicher and Mahindra Bolero, have been deployed to meet timely delivery schedules to distributors.

Our product portfolio has been expanded with the introduction of new stock-keeping units (SKUs), including 200g HDPE jar packs in all varieties of blended spices, mint flakes, and ₹10 MRP polypacks in blended spices for 77GREEN brand. We have also redesigned existing products, such as Kasuri Methi and Double Hathhi blended spices range.

Geographic Expansion:

We have successfully entered new

markets in Uttar Pradesh and Jammu & Kashmir, supplying products to Srinagar and Lucknow.

Market Share Expansion:

Our strategic initiatives have enabled us to gain market share in existing areas. We have optimized grammage for small-size SKUs, leading to keep low priced as well as improved our profitability also. We have strengthened our procurement policy to ensure strict quality at reasonably priced raw materials. This strategic approach has enabled us to procure the majority of our raw materials during this period, ensuring linear quality spices throughout the year.

Other Income:

We have commenced operations of our cold storage facility, generating rental income through our group company, Madhusudan Agree Processing and Cold Storage Pvt Ltd. This strategic initiative enables us to offset our warehouse rental expenses, enhancing our overall profitability.

Marketing Initiatives:

Our targeted marketing initiatives have played a crucial role in driving growth. We have offered scratch coupons to retailers and target-based seasonal offers to distributors. Our sales team has been incentivized to display our products in retail stores. We have also participated in Anuga Food 2024 at Nesco Exhibition

Center, Mumbai, and conducted regular newspaper advertisements, hoarding, and auto-rickshaw branding.

Awards and Recognition:

I am proud to announce that our company has been certified with the prestigious ZED Gold Certificate, making us the first spice manufacturer in India to receive this honor in spices category. Additionally, we have received the To Pride of "HALAR" Award from TOP FM as a leading spice manufacturer.

Outlook:

Based on our exceptional performance, I am confident that we will achieve ₹240+ crore in consolidated revenue for FY 2025.

Acknowledgement and Gratitude:

I extend my deepest gratitude to our esteemed investors for their unwavering trust and confidence in our company. Your faith in our vision and strategy has been instrumental in driving our success. I also thank our dedicated team members, channel partners, and stakeholders for their tireless efforts and commitment.

Congratulations:

I congratulate our team on their outstanding performance in H1 FY2025. Your hard work and dedication have propelled us to new heights.

Thank you---!
