Independent Auditor's Limited Review Report on the Unaudited Financial Results of the Company for the Nine Months Ended December 31, 2024

To
The Board of Directors
Madras Fertilizers Limited,
Chennai – 600 008.

1. We have reviewed the accompanying Statement of Unaudited Financial Results ("the Statement") of Madras Fertilizers Limited ("the Company") for the quarter year ended 31st December, 2024.
2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and analytical and other review procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. Basis for Qualified Conclusion:
 - (i) Attention is invited to Note 10 of the quarterly results regarding no provision being made in the accounts for sum of Rs.13.78 crores. As explained in the said note, the sum represents amount considered as recoverable from suppliers / contractors by the company, being the amount of Input Tax Credit (ITC) having become unavailable for set-off against the GST liability on account of non-compliance with the GST regulations on the part of the said suppliers / contractors. The company could not obtain confirmation from the said suppliers / contractors confirming their liability to the company for the payment of the said sum, and hence, in our opinion the said sum is required to be provided in full. The non provisioning of the above sum of Rs 13.78 Cr has resulted in overstatement of profits for the nine months ended by the said sum.

2

(ii) As mentioned in Note 11, reconciliation of ITC figures between the books and the electronic credit ledger for the FY 2017-18, 2018-19, 2019-20 and 2023-24 are pending as on Sep 30, 2024. As stated in the said note, company holds adhoc provision of Rs 37.57 Cr to meet any shortfall, if any, that may arise on the completion of the reconciliation for the years as stated above. We are unable to express our opinion as to the impact on the non-reconciliation of ITC on the financial results of the company and also on the adequacy or otherwise, of the provision held by the company to meet the shortfall that may arise.

5. Qualified Conclusion: Based on our review, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim financial information prepared in accordance with recognition and measurement principle laid down in the applicable Indian Accounting Standards specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other recognized accounting practices and policies, information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015, or that it contains any material misstatement.

6. Emphasis of Matter

We draw attention to:

- (i) Note no: 5 annexed to the accounts regarding recognition of subsidy of Rs. 171310.72 Lakhs under Revenue from operations for the nine months ended Dec 31, 2024. As stated in the note, the rate adopted by the Company for arriving at said subsidy income is subject to variation upon final determination of rates by GOI under new pricing scheme. The impact on the variation of subsidy rate if any will be given effect to in the accounts as and when the final approved rate is communicated by Gol.
- (ii) Note no: 9 regarding the demand raised by GST department amounting to Rs.19066 Lakhs, which is being contested by the Company through Writ / Appeal proceedings.

Our conclusion is not modified in respect of the above matters.
