Sir / Madam,

With reference to your email dated 15th June 2022 regarding deficiency observed in the Audited Financial Results for the Quarter and Year ended 31st March 2022 submitted on 30th May 2022 and we give our reply as follows:

Sl. No.	Observation by NSE	*Our Reply for the same*
1	Financial results submitted is not as per format prescribed by SEBI (The Company has not mentioned the note stating that the figures of last quarter are the balancing figures in the Financial Results as per Reg 33(3)(e)).	*We have omitted the following word inadvertently and by oversight and we regret for the same:* ***The figures for the quarters ended March 31 as reported in these Financial Results are the balancing figures between audited figures in respect of the full financial years ended March 31 and the published year to date figures up to the end of the third quarter of the relevant financial years.***
2	Financial results not submitted within 30 minutes from end of board meeting.	*We could not attach the Scanned Copy of our Results in Neaps as there was a Technical Difficulty and the Neaps Team is also aware of the same. Subsequently we submitted the Results through your new Digital Platform under the Outcome of Board Meeting module at 13.34 pm. In that process there was a delay 10 Minutes. On your Email advice, again we uploaded the Quick Results trough Neaps on 31st May 2022 using Internet Explorer at 9.35 am.*

Thanking you,

Yours faithfully
