INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHAMAYA STEEL INDUSTRIES LIMITED

Report on the Standalone Indian Accounting Standard (Ind-AS) Financial Statements

We have audited the accompanying Standalone Ind-AS Financial Statements of **MAHAMAYA STEEL INDUSTRIES LIMITED** ("the Company"), which comprises the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS Financial Statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS Financial Statements, whether due to

fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS Financial Statements.

Basis for qualified opinion

- (i) The company has recognised electricity duty receivable amount of Rs.0.45 crores by the way of reversing electricity duty expenditure for the year; the company has not provided any sanction from the competent authority (CSIDC); in the absence of any reasonable certainty of the ultimate collection the receivable amount is not in line with the Indian Accounting Standard (Ind AS-18)(Revenue Recognition) of ICAI. The company has been following the same procedure for the earlier years which is having a cumulative effect of receivable balance of Rs. 9.99 crores. Had the company would not been recognised the same receivable during the year, the profit of the company would have been reduced to the extent of Rs.0.45 crores and the cumulative reduction in the receivable (Current Assets) and share holder's fund to the extent of 9.99 Crores for the year.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the Basis for qualified opinion paragraph above, the aforesaid standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs(financial position) of the Company as at March 31, 2018, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Emphasis of matters

We draw attention to the following matters in the notes to the financial statements;

- (i) Note No.11 (Trade Receivable) of the financial statement where the company had recognised Income amount of Rs.52.99 lakhs from of its customer against which they have got a court decree and the same is not yet received. The outcome of the ultimate realization is not known at present.
- (ii) The company has made a provision of Rs.5.50 lakhs on its old debtors and due to inadequate system of provisioning we are unable to comment on the amount and its impact in financial statement for the year.
- (iii) The management need to improve the effectiveness and efficiency of internal control of the company regarding the Physical verification of inventories, Parties confirmation, recoveries of old dues and related party transactions.
- (iv) Stores Inventory accounting and physical verification system are not adequate. Provision for slow moving and non moving inventory has not been made.

Our opinion is not modified in respect of these matters.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Para 2 (f) "Report on Other Legal and Regulatory Requirements" in our Independent Auditor's Report to the members of the Company on the standalone Financial Statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MAHAMAYA STEEL INDUSTRIES LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, except the Physical verification of inventories and related party transactions, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHAMAYA STEEL INDUSTRIES LIMITED

Report on the Consolidated Indian Accounting Standard (Ind-AS) Financial Statements

We have audited the accompanying Consolidated Ind-AS Financial Statements of **MAHAMAYA STEEL INDUSTRIES LIMITED** ("the Company"), its subsidiary (collectively referred to as 'the group') which comprises the Balance Sheet as at March 31, 2018, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash-Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS Financial Statements. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Consolidated Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Consolidated Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

Basis for qualified opinion

- (i) The parent company has recognised electricity duty receivable amount of Rs.0.45 crores by the way of reversing electricity duty expenditure for the year; the company has not provided any sanction from the competent authority (CSIDC); in the absence of any reasonable certainty of the ultimate collection the receivable amount is not in line with the Indian Accounting Standard (Ind AS-18) of ICAI. The company has been following the same procedure for the earlier years which is having a cumulative effect of receivable balance of Rs. 9.99 crores. Had the company would not been recognised the same receivable during the year, the profit of the company would have been reduced to the extent of Rs.0.45 crores and the cumulative reduction in the receivable (Current Assets) and share holder's fund to the extent of 9.99 Crores for the year.

Emphasis of matters

We draw attention to the following matters in the notes to the financial statements;

- (i) Note No.11 (Trade Receivable) of the financial statement where the company had recognised Income amount of Rs.52.99 lakhs from of its customer against which they have got a court decree and the same is not yet received. The outcome of the ultimate realization is not known at present.
- (ii) The company has made a provision of Rs.5.50 lakhs on its old debtors and due to inadequate system of provisioning we are unable to comment on the amount and its impact in financial statement for the year.
- (iii) The management need to improve the effectiveness and efficiency of internal control of the company regarding the Physical verification of inventories, Parties confirmation, recoveries of old dues and related party transactions.
- (iv) Stores Inventory accounting and physical verification system are not adequate. Provision for slow moving and non moving inventory has not been made.

Our opinion is not modified in respect of these matters.
