# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

# India's Dhaka envoy Trivedi elevated to Cabinet rank

New Delhi/Dhaka, 25 June

The Centre on Thursday promoted Indian envoy to Bangladesh Dinesh Trivedi the status equivalent to a Union Cabinet minister, signalling that New Delhi accords its ties with Dhaka, especially New Delhi's relations with the new Tarique Rahman-led government, utmost importance.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP". "The position in Table of Precedence for ceremonial functions only," it said.

Trivedi presented his credentials to Bangladesh President Mohammed Shahabuddin in Dhaka on Thursday. He assumed office later in the day and, in his first decision, announced the resumption of travel visas for Bangladesh nationals. He was appointed as India's high commissioner to Bangladesh on April 27, the first political appointee to occupy the seat as India's envoy in Dhaka.

# BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDA" (Panchayat, Dalit and atypical) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhila Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh. According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

# Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said. "Industry representatives suggested that as wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said.

## Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families. The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household. "The ministry said in a statement. Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg. Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

# Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families.

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household. "The ministry said in a statement. Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg. Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

## BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDA" (Pichhadi, Dalit and atpanshuk) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhili Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi.

Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations. Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rana, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

## Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said.

"Industry representatives suggested that if wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said. BS REPORTER

## Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. # No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

## India's Dhaka envoy Trivedi elevated to Cabinet rank

ARCHIS MOHAN & PTI  
New Delhi/Dhaka, 25 June

The Centre on Thursday promoted Indian envoy to Bangladesh Dinesh Trivedi the status equivalent to a Union Cabinet minister, signalling that New Delhi accords its ties with Dhaka, especially New Delhi's relations with the new Tarique Rahman-led government, utmost importance.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP". "The position in Table of Precedence for ceremonial functions only," it said.

Trivedi presented his credentials to Bangladesh President Mohammed Shahabuddin in Dhaka on Thursday. He assumed office later in the day and, in his first decision, announced the resumption of travel visas for Bangladeshis. He was appointed as India's high commissioner to Bangladesh on April 27, the first political appointee to occupy the seat as India's envoy in Dhaka.

Water levels in 166 reservoirs across the country continued to drop as monsoon progress remained weak though there were signs of an uptick in rainfall in some areas.

As on June 25, water levels in the 166 reservoirs dropped to 48.405 billion cubic metres (bcm) from 50.457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country. However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

## Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families. The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg.

Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

## BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs, Pichhida, Dalit and atpanshuk" social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhila Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi.

Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations. Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rana, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

## Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said.

"Industry representatives suggested that if wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said. BS REPORTER

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Goyal's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Groer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

# India's Dhaka envoy Trivedi elevated to Cabinet rank

ARCHIS MOHAN & PTI  
New Delhi/Dhaka, 25 June

The Centre on Thursday promoted Indian envoy to Bangladesh Dinesh Trivedi the status equivalent to a Union Cabinet minister, signalling that New Delhi accords its ties with Dhaka, especially New Delhi's relations with the new Tarique Rahman-led government, utmost importance.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP." "The position in Table of Precedence for ceremonial functions only," it said.

Trivedi presented his credentials to Bangladesh President Mohammed Shahabuddin in Dhaka on Thursday. He assumed office later in the day and, in his first decision, announced the resumption of travel visas for Bangladesh nationals. He was appointed as India's high commissioner to Bangladesh on April 27, the first political appointee to occupy the seat as India's envoy in Dhaka.

Water levels in 166 reservoirs across the country continued to drop as monsoon progress remained weak though there were signs of an uptick in rainfall in some areas.

As on June 25, water levels in the 166 reservoirs dropped to 48.405 billion cubic metres (bcm) from 50.457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country. However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

# BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs" (Panchayat Development Officers) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhila Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi.

Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations. Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rama, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

# Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said.

"Industry representatives suggested that if wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said. BS REPORTER

# Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families.

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg.

Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jameson Groer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Goyal's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Groer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations with Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Kama, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

## Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said.

"Industry representatives suggested that as wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said. BS REPORTER

## Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families.

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg.

Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP". ## BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDA" (Pichhida, Dalit and atpanshuk) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhili Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi.

Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations. Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

Water levels in 166 reservoirs across the country continued to drop as monsoon progress remained weak though there were signs of an uptick in rainfall in some areas.

As on June 25, water levels in the 166 reservoirs dropped to 48.405 billion cubic metres (bcm) from 50.457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country. However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

## BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs" (Panchayat, Dalit and atijanayak) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhila Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi.

Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations. Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rana, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

## Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said.

"Industry representatives suggested that if wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said. BS REPORTER

### Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families.

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg.

Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

Water levels in 166 reservoirs across the country continued to drop as monsoon progress remained weak though there were signs of an uptick in rainfall in some areas.

As on June 25, water levels in the 166 reservoirs dropped to 48,405 billion cubic metres (bcm) from 50,457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country.

However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

## Weak monsoon drains reservoir levels

Down, but better than 10-year average

Water levels in 166 reservoirs monitored by the government as on June 25

As on June 25, water levels in the 166 reservoirs dropped to 48,405 billion cubic metres (bcm) from 50,457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country.

However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

### Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families.

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month.

This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg.

Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

## BJP reigns UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs" (pichhla, Dullu and aapankhuk) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhili Bharatiya Yuvarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi. Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations with Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rana, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

## Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

The rollout was decided at a review meeting held by Railways Minister Ashwini Vaishnaw on Thursday. According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said.

"Industry representatives suggested that if wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

**THE US WILL FIND APPROPRIATE TOOLS AND LEGAL BACKING TO GIVE US THAT COMPETITIVE ADVANTAGE. THE DAY THAT HAPPENS, THE DEAL IS ON**

Piyush Goyal, Commerce Minister

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

# India's Dhaka envoy Trivedi elevated to Cabinet rank

ARCHIS MOHAN & PTI  
New Delhi/Dhaka, 25 June

The Centre on Thursday promoted Indian envoy to Bangladesh Dinesh Trivedi the status equivalent to a Union Cabinet minister, signalling that New Delhi accords its ties with Dhaka, especially New Delhi's relations with the new Tarique Rahman-led government, utmost importance.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP". "The position in Table of Precedence for ceremonial functions only," it said.

Trivedi presented his credentials to Bangladesh President Mohammed Shahabuddin in Dhaka on Thursday. He assumed office later in the day and, in his first decision, announced the resumption of travel visas for Bangladesh nationals. He was appointed as India's high commissioner to Bangladesh on April 27, the first political appointee to occupy the seat as India's envoy in Dhaka.

Note: Decimals have been rounded off. Source: IMD

Water levels in 166 reservoirs across the country continued to drop as monsoon progress remained weak though there were signs of an uptick in rainfall in some areas.

As on June 25, water levels in the 166 reservoirs dropped to 48.405 billion cubic metres (bcm) from 50.457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country. However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

### Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families.

The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

Under the proposed design, a two-member AAY household would receive 14 kg per month, while a family of five or more would be entitled to the existing ceiling of 35 kg. Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

### Railways to modify wagon design policy in 15 days

The Railways will modify its wagon design policy with "comprehensive reforms" in the next 15 days, one that will allow user industries to design their own wagons to suit the needs of industries like salt and cement.

According to officials, the proposal had been in the works as part of the "52 Weeks 52 Reforms" plan, keeping the success of the previous commodity-specific schemes in mind. The railways is engaging in extensive consultations with various industries, trade bodies, and major freight customers associated with commodities that have significant potential for rail transportation, the railways ministry said. "Industry representatives suggested that as wagon designs are customised as per specific handling, loading, unloading, and transportation requirements of commodities, rail transport could be adopted on a much wider scale," it said. ### BJP reigs UP unit ahead of 2027 polls

ARCHIS MOHAN  
New Delhi, 25 June

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs" (pichhuda, Dalit and atijanajiyat) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhili Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh. According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi. Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations. Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rama, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

The Centre on Thursday promoted India's envoy to Bangladesh Dinesh Trivedi the status equivalent to a Union Cabinet minister, signalling that New Delhi accords its ties with Dhaka, especially New Delhi's relations with the new Tarique Rahman-led government, utmost importance.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP". "The position in Table of Precedence for ceremonial functions only," it said.

He assumed office later in the day and, in his first decision, announced the resumption of travel visas for Bangladeshis. He was appointed as India's high commissioner to Bangladesh on April 27, the first political appointee to occupy the seat as India's envoy in Dhaka.

# No US trade deal until India gets competitive edge: Goyal

KRITY AMBEY  
New Delhi, 25 June

PHOTO: @PIYUSHGOVALX

India will not enter into a trade deal with the US until the latter finds appropriate tools and legal backing to give India a comparative advantage over competing economies, Commerce Minister Piyush Goyal said on Thursday.

"Until the framework for getting competitive advantage is finalised, we cannot enter into a US deal," Goyal, who is currently on a two-day visit to the UK, said at an event in London. "So, broadly, the discussions are on how the US will find appropriate tools and legal backing to give us that competitive advantage. The day that happens, the deal is on."

Goyal's comment comes a day after he wrapped up a round of trade negotiations with United States Trade Representative (USTR) Jamieson Greer in New Delhi. Following the meeting, the commerce minister issued a post-negotiation statement reiterating the two sides' commitment to expanding bilateral trade and advancing discussions under the proposed bilateral trade agreement. The statement, however, offered few clues about movement on the outstanding issues.

This was the third round of negotiations since India and the US issued a joint statement in February announcing an interim trade pact.

Under the pact, Washington removed the 25 per cent penal tariff on India and committed to lowering the reciprocal tariff to 18 per cent from 25 per cent. However, soon after, the Supreme Court of the United

States scrapped the reciprocal tariff imposed by US President Donald Trump under the International Emergency Economic Powers Act (IEEPA). Since then, Washington has imposed a baseline tariff of 10 per cent on all trading partners, which expires on July 24.

Since the Supreme Court of the United States' verdict, officials on both sides have reiterated on multiple occasions that a revised deal is also very close to con-

clusion. But Goyal's latest comments on the US trade deal reflect that the urgency to conclude the agreement has eased.

"There were IEEPA tariffs when we finalised the deal. We had about 50 per cent tariff on India, so we had negotiated the deal based on bringing down the 50 per cent tariff to 18 per cent," Goyal said. "And the whole deal was centred around the competitive advantage that we got with 18 per cent over our neighbours and other competing countries. And that is why the deal was attractive for us," he added.

"With the Supreme Court of the United States striking down the (reciprocal) tariffs, and now with the 10 per cent tariff, which expires on July 24, we obviously have to have some reason to enter into the agreement that we had agreed upon," Goyal said.

Following Commerce Secretary Rakesh Agrawal's announcement of Greer's India visit to give "final touches" to the interim deal, expectations had begun building that the two sides could announce an agreement before July 24, when the US' temporary 10 per cent universal tariff is due to expire.

However, expectations moderated after Goyal, speaking ahead of Greer's visit, said he was not "worried about" the July 24 deadline.

The Office of the USTR has proposed a 12.5 per cent tariff on Indian imports following a Section 301 investigation into alleged forced-labour links. However, the proposed duty would not take effect immediately, as Washington has invited public comments on it until July 6.

## India's Dhaka envoy Trivedi elevated to Cabinet rank

ARCHIS MOHAN & PTI  
New Delhi/Dhaka, 25 June

The Centre on Thursday promoted Indian envoy to Bangladesh Dinesh Trivedi the status equivalent to a Union Cabinet minister, signalling that New Delhi accords its ties with Dhaka, especially New Delhi's relations with the new Tarique Rahman-led government, utmost importance.

In its order issued on Thursday, the Ministry of Home Affairs said Trivedi "has been assigned the equivalent status of Union cabinet minister in the Table of Precedence (ToP) as a measure personal to him, without amending ToP". "The position in Table of Precedence for ceremonial functions only," it said.

Trivedi presented his credentials to Bangladesh President Mohammed Shahabuddin in Dhaka on Thursday. He assumed office later in the day and, in his first decision, announced the resumption of travel visas for Bangladesh nationals. He was appointed as India's high commissioner to Bangladesh on April 27, the first political appointee to occupy the seat as India's envoy in Dhaka.

Water levels in 166 reservoirs across the country continued to drop as monsoon progress remained weak though there were signs of an uptick in rainfall in some areas.

As on June 25, water levels in the 166 reservoirs dropped to 48.405 billion cubic metres (bcm) from 50.457 bcm. The levels were lower than last year's but better than the normal storage levels, which are based on the average storage over the past 10 years. The last time water levels in the reservoirs monitored by the government were higher than last year's was during the week ended May 29.

Meanwhile, after a prolonged lull, the southwest monsoon showed some signs of picking up, with the India Meteorological Department saying overall rainfall activity is likely to remain below normal over most parts of the country. However, in parts of south Peninsular India and north-east India, conditions will again become favourable for the advance of the monsoon from July 2 to 8.

## Govt proposes 7 kg ration per person for AAY households

Smaller households may see little change in absolute terms, larger ones stand to gain as allocation would scale with family size. Rice and wheat are distributed for free to both priority households and AAY.

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs" (Panchayat, Dalit and atypical) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhila Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh. According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

### Govt proposes 7 kg ration per person for AAY households

PRESS TRUST OF INDIA  
New Delhi, 25 June

The government is considering shifting the Antyodaya Anna Yojana (AAY) foodgrain entitlement from a fixed 35 kg per household per month to 7 kg per person capped at 35 kg, a move that would benefit larger poor families. The Department of Food and Public Distribution has proposed an amendment to the National Food Security Act, 2013, and the Food Ministry has invited public comments on the National Food Security (Amendment) Bill, 2026 until July 13. Under the current law, AAY households — designated as the poorest of the poor — receive 35 kg per family per month, regardless of household size. Priority Households, by contrast, receive 5 kg per person per month. This structure has meant

that larger AAY families often end up with a lower per-capita entitlement than Priority Household members — the category meant for those less than 10% of the population. The existing household-based entitlement under Antyodaya Anna Yojana, though intended as a protective measure for the most vulnerable families, results in significant inequities depending upon the size of the household," the ministry said in a statement.

With elections to the Uttar Pradesh Assembly eight months away, the Bharatiya Janata Party (BJP) on Thursday rejigged and expanded its team of state unit's office bearers. Only seven from the outgoing team found a place in the new team.

In the new team of office bearers, the party increased the representation of leaders from Other Backward Classes (OBCs), and also of leaders from eastern UP. The BJP faced losses in eastern UP amid Samajwadi Party's (SP's) stress on its "PDAs" (pichhida, Dalit and atpanshuk) social coalition. The new team of office bearers has more women than the outgoing team.

It has a sizeable representation of leaders who trace roots of their political career as activists in the Akhila Bharatiya Vidyarthi Parishad, the students' wing of the Rashtriya Swayamsevak Sangh.

According to the list issued by state BJP president Pankaj Chaudhary, the party appointed 19 vice presidents,

eight general secretaries, and 19 secretaries in its 46-member team, which is marginally bigger than the outgoing 41-member team. It replaced all its 18 regional chiefs, including of Bundelkhand, Gorakhpur, Awadh, and Varanasi. Chaudhary, Union Minister of State for Finance, was elected as the BJP Uttar Pradesh unit chief in December. Senior party leaders held several rounds of consultations with Chief Minister Yogi Adityanath, and the central leadership in the run up to announcing the list.

Western UP leader and former state minister Suresh Rama, who was arrested in 2013 for his alleged role in the Muzaffarnagar riots, and was a key organiser for the party in the West Bengal polls, was inducted as a vice president, as was expelled SP legislator Pooja Pal.

Neeraj Singh has replaced his brother Pankaj Singh, an MLA from UP's Noida, as a vice president. The two are sons of Defence Minister Rajnath Singh. Pankaj Singh had been an office bearer in the BJP's UP state unit team since 2010.

‘पेसा’तील कंत्राटी शिक्षकप्रश्नी लवकरच बैठक

मुंबई : गडचिरोली जिल्हातील ‘पेसा’ क्षेत्रातील कंत्राटी शिक्षकांना नियमित सेवेत सामावून घेण्याच्या निर्माण झालेल्या प्रश्नांवर तोडगा काढण्यासाठी मंत्र्यांच्या दालनात लवकरच विशेष बैठक घेण्यात येईल, अशी ग्वाही राज्यमंत्री डॉ. भोयर यांनी दिली.

## विधिमंडळातून

### आंबा-काजू उत्पादकांना लवकर भरपाई

कोकण विभागातील अन्वयांक पाऊस व हवामानातील प्रतिकूल परिस्थितीमुळे नुकसान झालेल्या आंबा व काजू उत्पादक शेतकऱ्यांना राष्ट्रीय आपत्ती प्रतिसाद निधी (एनडीआरएफ) अंतर्गत सुमारे २०१ कोटी रुपयांची, त्याचप्रमाणे हवामान आधारित पीक विमा योजनेंतर्गत मजद १५ दिवसांच्या आत वितरित करण्यात येईल, अशी माहिती कृषीमंत्री दत्तात्रेय भरणे यांनी विधानसभेतील प्रश्नोत्तरांच्या तासात दिली. त्याचबरोबर या शेतकऱ्यांना ‘एनडीआरएफ’चा निकषांतीलकडे मदत देण्यात येईल, असे आश्वासन पालकमंत्री निवेश राणे यांनी दिले. आमदार नीलेश राणे यांनी उपस्थित केलेल्या प्रश्नाला उत्तर देताना भरणे यांनी एनडीआरएफच्या निकषानुसार हेक्टर सुमारे २२ हजार ५०० रुपये मदत देण्यात येणार असल्याचे सांगितले.

### बेकायदा उत्खनन रोखण्यासाठी कृतिदल

बेकायदा गौण खनिज उत्खननाची सरकारने गंभीर दखल घेतली असून बेकायदा गौण खनिजांचे उत्खनन रोखण्यासाठी; तसेच अशा प्रकरणांवर कठोर कारवाईसाठी स्वतंत्र कृतिदलाची स्थापना करण्यात येणार असल्याचे महसूलमंत्री चंद्रशेखर बावनकुळे यांनी विधानसभेत प्रश्नोत्तरांच्या तासात सांगितले. आमदार नाना पटोले यांनी यासंदर्भात विधानसभेत प्रश्न उपस्थित केला. या चर्चेत सदस्य भास्कर जाधव यांनी सहभाग घेतला. गडचिरोली येथील सांडपाखाली स्वतंत्र कृतिदलाच्या प्रकरणात पुन्हा दाखल करण्यासाठी परवानगी मागण्यात आली होती. मात्र, त्यासाठी विलंब झाल्याने कारवाईला उशीर झाला. यापुढे अशा प्रकारचा विलंब होणार नाही याची दखत घेण्यात येईल. याप्रकरणी गडचिरोलीच्या जिल्हाधिकार्यांना एमपीडीएमसार कारवाई करण्याबाबत सूचित केले आहे, असे बावनकुळे यांनी सांगितले.

### कथित गैरव्यवहारांची राज्यस्तरीय चौकशी

महसूल विभागातील भ्रष्टाचार रोखण्यासाठी कथित गैरव्यवहारांची राज्यस्तरीय चौकशी आता अकराव्या जेनरल (एन) कार्यालयामार्फत केली जाणार असून त्यासाठी स्वतंत्र कृतिदल स्थापन करण्यात येईल, अशी माहिती महसूलमंत्री चंद्रशेखर बावनकुळे यांनी विधानसभेत दिली. विधानसभा सदस्य जितेंद्र आन्हाड यांनी उपस्थित केलेल्या प्रश्नाला उत्तर देताना त्यांनी हा निर्णय जाहीर केला. एक एप्रिल २०२१ ते ३१ मार्च २०२६ या कालावधीत झालेल्या ‘अॅडव्हुडिकेशन’ प्रकरणांची चौकशी एमआरएफ करण्यात येणार आहे. केवळ चौकशीचे अविश देऊन थांबणार नसून एनडीआरएफच्या मार्गदर्शनाखाली स्वतंत्र कृतिदल कार्यरत केली जाईल. या चौकशीसाठी आवश्यक मसुदाबद्दल, सोत आणि निधी राज्य सरकार उपलब्ध करून देणार असल्याचे बावनकुळे यांनी सांगितले.

### विंचवड मध्ये ‘अजितसृष्टी’ उभारणार

पिंपरी-विंचवड महानगरपालिकेच्या आरक्षित जागेवर दिवांगत उपमुख्यमंत्री अजित पवार यांच्या नावे ‘अजितसृष्टी’ उभारण्यासाठी आवश्यक ती कार्यवाही करण्यात येतील, तसेच संबंधित जागेवरील एमआयडीसीचे फ्लॉटिंग तक्रार थांबवावे, असे निर्देश विधानसभेचे उपाध्यक्ष अण्णा बंसोडे यांनी आज दिले. विधान सभेत उपाध्यक्ष अण्णा बंसोडे यांच्या दालनात झालेल्या बैठकीत त्यांनी हे निर्देश दिले. बैठकीस पिंपरी-विंचवड एमआयडीसीचे मुख्य अधिकारी, पिंपरी-विंचवड महानगरपालिकेचे अतिरिक्त आयुक्त तसेच संबंधित विभागाचे वरिष्ठ अधिकारी उपस्थित होते.

### टप्पा अनुदानाबाबत लवकरच बैठक : भुसे

राज्यातील विनाअनुदानित शाळांच्या टप्पा अनुदानाबाबत शासन या विषयाकडे दुर्लक्ष करत नसून २०२१ पासून टप्पा अनुदानाची कार्यपद्धती सुरू असून २०२३ मध्ये ११६० कोटी रुपये आणि २०२५ मध्ये ९७० कोटी रुपयांच्या टप्पा अनुदानाबाबत निर्णय घेण्यात आला आहे, अशी माहिती शालेय शिक्षणमंत्री दादा भुसे यांनी सांगितले. या संदर्भात विधान परिषद सदस्य किरण सनाईक यांनी लक्षवेधी सूचना मांडली. भुसे यांनी सांगितले की, सैनिकी शाळांतील २० तुकड्यांच्या अनुदानाबाबत निकषानुसार तपासणी करून योग्य निर्णय घेण्याची प्रक्रिया सुरू आहे. या विषयावर वरिष्ठ अधिकार्यांच्या उपस्थितीत बैठक घेण्यात येईल आणि सदस्यांच्या सूचनांचा विचार करून नियमानुसार पुढील कार्यवाही केली जाईल, असे आश्वासनही भुसे यांनी दिले.

# प्राथमिक शिक्षण विभाग सर्वांत भ्रष्ट परिषदेत सत्ताधारी-विरोधकांनी काढले वाभाडे

## सकाळ न्यूज नेटवर्क

मुंबई, ता. २५ : प्राथमिक शिक्षण विभाग हा राज्यातील सर्वांत ‘भ्रष्ट’ विभाग असून, या विभागाकडून दिली जाणारी माहिती पूर्णपणे खोटी आणि दिशाभूल करणारी असते, अशा अनेक गंभीर आरोपांच्या फॅरी झाडून सत्ताधारी आणि विरोधी पक्षाच्या आमदारांनी गुरूवारी विधान परिषदेत प्राथमिक शिक्षण विभागाची अक्षरशः लखरे काढली. यावेळी सदस्यांनी विचारलेल्या शारदार प्रश्नांना सामोरे जाताना शालेय शिक्षण राज्यमंत्री पंकज भोयर यांची चांगलेच दमछाक झाली.

पंकज भोयर

‘यु. डायस’ पोटॅलवरील माहितीही शिक्षकांनीच भरली आहे. मात्र, माहिती भरणाऱ्या शिक्षकांना आपण दोष देत नाही. सर्वांनाच मते हवी असतात. तरीही शिक्षण विभागात झालेल्या भ्रष्टाचाराच्या प्रकरणांचा आढावा घेतला जाईल आणि विभागातील कोणत्याही अनियमितेकडे दुर्लक्ष केले जाणार नाही. मात्र संपूर्ण शिक्षण व्यवस्थेला भ्रष्ट ठरविणे योग्य नाही. कारण हा विभाग समाज चडविण्याचे काम करत आहे. आपणही त्याच व्यवस्थेतून आलो आहोत. प्रतीबंध प्रश्न सोडविण्यासाठी शासन सरकारकडून अर्ज दोषीवर आवश्यक ती कारवाई केली जाईल.

- पंकज भोयर, शालेय शिक्षण राज्यमंत्री

शिजवत असून राज्यभर आंदोलने सुरू आहेत. ‘महाराष्ट्र लोकसेवा हक्क अधिनियम, २०१५’ अस्तित्वात असतानाही वेळेत निर्णय होत नाहीत. ऑनलाईन प्रणालीच्या नावाखाली लोकांना पुन्हा हार्ड कॉपी जमा करायला लावून हेल्थचे मारयल जाण पाडले जात आहे. ही दिशेबाई केवळ अकार्यक्षमता नसून भ्रष्ट व्यवस्थेला पोषक ठरणारी पद्धत बनली आहे, असा हल्लाबोल तांबे यांनी केला. तसेच, सभागृहात मंत्र्यांकडून प्रत्येक प्रश्नावर ‘खरे नाही...’ असे छापिलेले उत्तर देऊन दिशाभूल केली जात असल्याबद्दल त्यांनी तीव्र नाराजी व्यक्त केली.

मुलींसाठी मूलभूत सुविधांचे लवकरच काम पूर्ण करणार राज्यातील शाळांमध्ये मुलींसाठी स्वतंत्र व सुरक्षित स्वच्छतागृह, पिण्याचे पाणी, वीज व सॅनिटरी पॅड व्हीटिंग मशीन यांसह मूलभूत सुविधा उपलब्ध करून देण्यासाठी संशोधन करून घ्यावे लागते. पंकज भोयर यांनी विधान परिषदेत दिले. विधान परिषद सदस्य किरण जाधव यांनी राज्यातील शाळांमधील मुलींसाठी स्वतंत्र व सुरक्षित स्वच्छतागृहांच्या उभारण्याबाबत प्रश्न उपस्थित केला होता.

### विषारी दारूकांडावरून परिषदेत गदारोळ

मुंबई, ता. २५ : पुण्यातील विषारी दारूकांडाप्रकारच्या प्रकरणावरून विधान परिषदेत गुरूवारी विरोधकांनी सरकारला धोरेवर धरत प्रश्नांच्या फॅरी झाडून यामध्ये मूक्यमंत्री पडलेल्या २२ जणांची जबाबदारी सरकारने घ्यावी, हातावर पोटा असणाऱ्या मृतांच्या वारसाला सरकाराची नहीतर निदान निमसरकारीमध्ये कंत्राटी रोजगार द्यावा, अशा मागण्या केल्या. भाजप आमदार अजित गोरखे यांनी लक्षवेधी सूचनेच्या माध्यमातून पुणे आणि पिंपरी-विंचवड शहरातील विविध भागात विषारी दारूकांडे मूक्यमंत्री पडलेल्या व्यक्तींच्या कुटुंबीयांना आर्थिक मदत देण्याची मागणी सरकारकडे केली.

### केतन हत्याप्रकरणी एसआयटी नेमा ; तालिका अध्यक्षकांचे निर्देश

मुंबई, ता. २५ : पुणे जिल्हातील लोहाड किल्ल्यावर व्यावसायिक केतन अग्रवाल यांची दारिद्र्य डकठून हत्या केलेल्याचा घटनेबाबत विशेष तपास पथक (एसआयटी) नेमाच्या निर्देश तालिका अध्यक्ष राजू खरे यांनी राज्य सरकारला दिले. विशेष म्हणजे एसआयटी नेमाची मागणीच कोणी केली नसताना तालिका अध्यक्षकांचे निर्देश दिले. त्यावर तालिका अध्यक्षकांचे निर्देश सरकारकडे बंधनकारक असतात का? असा मुद्दा आमदार भास्कर जाधव यांनी उपस्थित केला. लोहाड किल्ल्यावर व्यावसायिक केतन अग्रवाल यांची वाढत वचू सिरा गोकुलने तिच्या प्रियकराच्या मदतीने दारिद्र्य डकठून हत्या केल्याची घटना नुकतीच घडली. या प्रकरणातील सिरा गोकुलच्या कुटुंबीयांना या प्रकरणाबाबत माहिती असल्याने त्यांच्यावर कारवाई करण्यात यावी, अशी मागणी आमदार सुनील शेळके यांनी विधानसभेत आक्षेपांच्या मुह्युद्धार केली.

## शेतकरी कुटुंबांना लनसराईसाठी दारात एसटी : परिवहनमंत्री

मुंबई, ता. २५ : एसटी महामंडळाच्या तापण्यात नवीन बस दाखल झाल्यानंतर, ग्रामीण भागातील शेतकरी कुटुंबात मुलगा किंवा मुलीचे लन असल्यास त्यांना विशेष सवलतीच्या आणि माफक दरात एसटी बस उपलब्ध करून दिली जाईल. शेतकऱ्यांनी मागणी केल्यास एसटी महामंडळ हेतू त्यांच्या दारापर्यंत बस पोहोचवण्यासाठी सर्वतोपरी प्रयत्न करेल, अशी घोषणा परिवहनमंत्री प्रताप सनाईक यांनी सभागृहात केली. यावेळी त्यांनी मालवार्ड वार्डामधील बेकायदा प्रवासी वाहतूक करणाऱ्या वाहनांचे परवाने घेत रद्द करण्याचे कडक निर्देश दिले. विधानपरिषदेत आमदार सुनील शिंदे यांनी डहाणूक वहाडाच्या ट्रकला झालेल्या अपघाताच्या अनुषंगाने लक्षवेधी मांडली होती.

## खासगी रुग्णालयाच्या दरावर नियंत्रण ?

सकाळ न्यूज नेटवर्क

मुंबई, ता. २५ : खासगी रुग्णालयांनी विविध आजारवरील उपचारांसाठी रुग्णांना किती दर आकारावा, यासंदर्भात सर्वोच्च न्यायालयाने दिलेल्या निर्देशानुसार राज्यातील खासगी रुग्णालयातील दरांबाबत धोरण ठरवण्यासाठी लवकरच मुख्यमंत्र्यांबरोबर बैठक घेण्यात येणार असल्याचे आरोप्यमंत्री प्रकाश आंबेडकर यांनी विधानसभेत जाहीर केले.

आमदार बापूसाहेब पटोरे यांनी विधानसभेत याबाबत लक्षवेधी सूचना मांडली होती. त्याला उत्तर देताना आंबेडकर यांनी ही घोषणा केली. त्याचबरोबर खासगी रुग्णालयांना रुग्णालयाबाहेर उपचारांचे दरपत्रक लावणे बंधनकारक करण्यात आले आहे. याची अंमलबजावणी होते की नाही याची तपासणी करण्यासाठी राज्यभर तपासणी केली जाईल, असेही आंबेडकर यांनी सांगितले.

‘सध्या अनेक महिलेची प्रसूती नऊ महिन्यांच्या आत होत असल्याने अन्वयांक जन्मलेल्या बालकांना दीर्घकाळ ‘एनआयसीयू’मध्ये ठेवावे लागते. त्यासाठी १५ ते ३५ लाख रुपयांपर्यंत खर्च येतो. तो खर्च सामान्य लोकांना परवडत नाही. अनेकदा मालमत्ता विकून, कर्ज काढून पालक हा खर्च करतात. पुण्यात शासकीय रुग्णालयात ‘एनआयसीयू’च्या खाटांची संख्या कमी आहे. त्यामुळे लोकांना खासगी रुग्णालयात जावे लागते. खासगी रुग्णालयात अन्वयांच्यासह शुल्क आकारले जाते त्यावर शासनाचे कोणतेही नियंत्रण नाही,’ असे आमदार बापूसाहेब पटोरे लक्षवेधी सूचनेच्या माध्यमातून निदर्शनास आणले.
