SUB: MISPLACED SHARE CERTIFICATE

Sirs,

We refer to our previous correspondence regarding status of misplaced original share certificate covering 14 shares.

We have been regularly receiving communication in respect of these shares from you for last few years.

On checking my records, it is realised that the same share certificate is missing from my total holding. I have been regularly investing in capital market for last several years and I could not locate the exact source of these shares. I believe this can be issued by way of corporate action of some other holding.

This certificate may be dispatched to me; however, this may have misplaced/ lost in transit. Maybe it may have returned undelivered to you.

Kindly therefore check your records and advise me the status / source of these shares.

In the meantime, please let me know the procedure to obtain duplicate share certificate in lieu of original share certificate to enable me to start the process.

While I thank you request for your cooperation in the matter.
