NOTES:

- The Unaudited Financial results for the quarter ended on Dec 31, 2025 of the Company have been reviewed by the Audit Committee and approved by the Board of Directors at meeting held on 11-02-2026.
- The Statutory Auditors of the Company have carried out a Limited Review of the aforesaid Results under regulation 33 of SEBI (LODR) Regulation 2015.
- The Company operates in only one segment i.e. paper and therefore as per Ind AS 108 segment reporting is not required.
- Results for the quarter ended on Dec 31, 2025 are in accordance with Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under.
- During the quarter under review, the Company reported a EBITDA loss of Rs. 309.20 lacs, primarily due to lower operational margins driven by challenging market conditions and heightened price competition, which adversely impacted recovery of input costs.
As the Company enters the new market segments of Paper, Bag and Writing Printing Paper, the Company has prioritized government supply tenders, viewing them as a key driver of sustainable growth given their promising long-term prospects. Despite these challenges, the Company has taken important steps to strengthen its business outlook.
Notably, the Company has successfully secured a tender for the supply of Writing and Printing Paper to the Maharashtra State Board Textbook Publications. This prestigious order is expected to support improved capacity utilization and contribute positively to revenues and profitability. The impact of this shall be visible in current and upcoming quarters.
Further, the Company has participated in tenders for the supply of paper to other State Boards and is awaiting the outcome of the same.
- The Management is of the view that the net worth of the company will improve in the upcoming Quarters due to the turnaround in production strategies. Further the promoters have reaffirmed their commitment to the Company's revival by pledging further capital infusion, as and when required. The Company is also actively pursuing the monetization of its surplus land assets to strengthen the balance sheet, improve liquidity, and enhance overall net worth.
- Previous period's figures have been regrouped wherever necessary to confirm current period's classification.
