Manaksia Coated Metals & Industries signs export MoU amounting to Rs. 210 Cr

Fresh MoU's underscore MCMIL's continued export momentum and expanding global footprint

Kolkata, 5th November 2026 - Manaksia Coated Metals & Industries Limited (NSE: MANAKCOAT, BSE: 539046), one of the leading coated steel manufacturers and exporters, specializing in Alu-Zinc and Pre-Painted Steel products, has signed a Memorandum of Understanding (MoU) amounting to **Rs. 210 Cr** with a leading European client. The development comes against the backdrop of strong export performance, with the Company achieving exports of Rs. 603 Cr in FY26 and Rs. 397 Cr in H1 FY27 alone. This MoU further strengthens the Company's export growth momentum and underscore the increasing acceptance of its value-added coated steel products across global markets.

STRATEGIC SIGNIFICANCE

- **International Market Expansion:** A Fresh MoU amounting to Rs. 210 Cr mark further expansion of MCMIL's export presence across international markets, with exports already accounting for 68.21% of revenue in FY26.

- **Strong Export Execution:** The Company has demonstrated its ability to convert international business opportunities into actual exports, achieving Rs. 603 Cr of exports in FY26 and Rs. 397 Cr in H1 FY27 alone, while expanding its international footprint by entering four new markets – Latvia, Brazil, Jamaica, and Somalia during H1 FY27.

- **Long-Term Customer Relationships:** The fresh MoU's strengthen relationships with international customers and provide potential for repeat orders and sustained offtake, while supporting higher utilization of the Company's value-added product capacities.

- **Capacity-Led Growth:** Ongoing technology upgrades and capacity expansion, including Alu-Zinc capacity of 1,80,000 MTPA and the upcoming increase in Pre-Painted Steel capacity to 2,36,000 MTPA, position the Company to support growing international and domestic demand.

MANAGEMENT COMMENTARY

Commenting on the development, Mr. Karan Agrawal, Whole Time Director, Manaksia Coated Metals & Industries Limited, said:

"The signing of fresh MoU's with prestigious export customers marks another important milestone for Manaksia Coated Metals & Industries and reflects the growing confidence of our international customers in our products and execution capabilities. With our Alu-Zinc capabilities now fully operational and a growing focus on Pre-Painted Steel, we have strengthened our value-added product offering and are well positioned to meet a wider range of customer requirements across global markets.

With the second Colour Coating Line nearing commissioning and our renewable energy initiative progressing, we expect to further optimize power costs and increase our value-added product mix.

Looking ahead, our Phase 2 expansion, targeted for FY28, will further strengthen our manufacturing capabilities and support the next phase of scale-up.

We continue to see healthy demand visibility from our long-term customers, and with our expanding capacities, strong customer relationships, and focus on value-added products, we remain well positioned to capture the opportunities emerging across international markets."

ABOUT MANAKSIA COATED METALS & INDUSTRIES LIMITED

Manaksia Coated Metals & Industries Limited (MCMIL) is a prominent manufacturer and exporter of coated steel products. MCMIL manufactures Pre-painted Steel and Alu-Zinc-coated steel in coil & sheet forms. All value-added steel products are manufactured in the company's facility in Kutch, Gujarat. Alu-Zinc and Pre-painted Steel products are value-added and specialized steel products widely used in various applications for construction, automotive, appliances, and general engineering industries.

Manufacturing highly value-added steel products, the company utilizes modern machinery and meticulous attention to detail to meet customer specifications. Strategically situated, the company's manufacturing facility in Kutch, Gujarat, is in close proximity to Kandla and Mundra Ports, enhancing efficiency for exports, imports, and access to domestic coastal routes.

In summary, MCMIL is renowned for its quality, strategic locations, and commitment to customer satisfaction. Positioned for ongoing success, it continues to drive innovation in the steel industry while meeting diverse market demands.
