**MAN Industries (India) Limited gets a new Export Order worth Rs.1,150 Crores**

**Mumbai, India –June 5, 2025 – MAN Industries (India) Limited**, one of the leading Large Diameter Pipe Manufacturing Companies, proudly announces the receipt of a prestigious Export Order valued at approximately Rs.1,150 Crores.

This order significantly demonstrates the robust strength and market credibility in global markets and highlights MAN Industries' growing reputation as a trusted supplier in the international pipeline industry. The order entails supplying different types of pipes to a respected international customer, and the work is expected to be completed within the next 6 to 12 months.

With this new order, the Company's total unexecuted order book now stands at approximately Rs.3,500 Crores, reflecting continued customer confidence in its technological expertise, quality assurance, and execution capabilities.

Commenting on this achievement, Mr. Nikhil Mansukhani, Managing Director of MAN Industries (India) Limited, said:

*"The start of the year is proving exceptionally strong for MAN Industries, highlighted by the multiple orders totalling approx. INR 3500 Crores. These are testimonial to our steadfast focus on delivering product excellence and timely deliveries. We expect this momentum to continue during the year, such projects are also testament to the prowess of MAN Industries and our cutting-edge technological capabilities"*

This development marks yet another milestone in the Company's journey toward expanding its global presence and serving strategic infrastructure and energy sectors worldwide.

**About MAN Industries (India) Limited:**

MAN Industries (India) Ltd (MANINDS) is the flagship Company of Man Group, promoted by the Mansukhani Family in 1970. The Company is a part of the well-diversified MAN Group, growing under the dynamic leadership of Dr. R. C. Mansukhani. Starting as an Aluminum Extruder in 1988, MAN Industries has become one of the largest players in LSAW Pipes, Spirally Welded Pipes and Coating Systems.

Man Industries (India) Ltd an ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018 Certified Company, has been expanding, integrating and growing to fulfill the ambition of achieving Global excellence.

Today, the Company is one of the largest manufacturer and exporter of large diameter carbon steel line pipes (LSAW, HSAW and ERW) which are used for various high pressure transmission applications for oil & gas industry, petrochemicals, water, dredging & fertilizers, hydro-carbon and CGD Sector.

The Company has three state-of-the-art manufacturing facilities with two facilities located in Anjar, Gujarat having the first facility for line pipe manufacturing, which is having two L-SAW and two H-SAW lines. Along with the Second facility at Anjar, which is dedicated for ERW pipes (both API and Non-API) and Third facility is in Pithampur, Madhya Pradesh, having a total installed capacity of over 1.18 MTPA.

the line pipe people

MAN is also undertaking capex to further widen its product offerings by entering manufacturing of Stainless-Steel Seamless pipes at Jammu and setting up a new plant at Dammam, Saudi Arabia with a cost of Rs ~600 crores. This plant will include line pipe manufacturing and a coating facility, which will cater to Saudi Arabia's growing demand.
