## Clarification on News Item

**Mumbai, June 27, 2016:**

**Ref:** Clarification/confirmation sought by National Stock Exchange of India Limited

*"Our attention has been drawn to a news item in CNBC TV 18 about- **See Revenues doubling in FY 2017, Promoters Stake may rise**- The Current Promoter Stake stands at 61.5% in the Company, of which Radhakrishana Damani and family owns approx. 2% (around 45 lakh shares) in Company"*

We would like to submit that the Company has recently informed the Stock Exchanges about receipt of work order by a subsidiary for Port Works of about Rs. 751.69 Crores to be executed in tight time frame. Accordingly the Management is of the view that this work order along with other Projects in hand will substantially aid in revenue growth in FY 2017.

Further we hereby clarify that Mr. Radhakishan Damani and his family **DO NOT** form part of Promoter and Promoter Group of the Company.

As per our observation, the share price was ranging between Rs. 43.95 to Rs. 45.00 prior to the news item appearing in CNBC TV 18. The share price is market driven and in our view, there are no announcements/price sensitive information that are pending intimation to the exchanges under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.
