2. The above is an extract of the detailed format of Financial Results for the quarter ended **December 31, 2025** filed with the stock Exchange under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Labour Codes, among other things, introduce changes including a uniform definition of wages and enhanced benefits relating to leave. The Company has assessed the financial implications of these changes, which have resulted in an increase in gratuity liability arising out of past service cost of Rs. 51.85 lakhs and an increase in leave liability by Rs. 12.33 lakhs. Considering that the impact arising out of enactment of the new legislation is an event of non-recurring nature, the Company has presented this incremental amount as "Impact of New Labour Codes" under "Exceptional Item" in the Statement of Profit and Loss for the three months and nine months ended **December 31, 2025**. The Company continues to monitor developments pertaining to Labour Codes and will evaluate the impact, if any, on the measurement of employee benefits liability.

While the "Synergy Green Industries Limited ESOP Trust" has been established to administer approved employee stock option schemes, its financial activity during the reporting period was limited to an initial corpus contribution of Rs. 0.10 lakhs. There were no other transactions during the period and hence consolidated financial results have not been presented.
