**Dear Sirs/Madam,**

**Subject:** Expansion of Narhari Engineering Works (A Subsidiary of MEIL) – Enhancing Naval and Marine Capabilities.

Narhari Engineering works, a subsidiary of Marine Electricals India Limited specializes in building custom made shock graded Motors meeting Naval Engineering Standards since 1964. Narhari engineering works, manufactures motors for every application suitable to be mounted on Naval ships up to a rating of 300Kw.

Narhari Engineering works is in the process of expanding its manufacturing facility to build both Naval and Marine motors up to a range of 1MW and also start manufacturing Naval and Marine application Alternators for the same range in its new manufacturing facility under construction in Palghar.

This will help Marine Electricals India Limited increase its inhouse product offering for DG sets to be assembled in its plant in the near future.

You are requested to take the same on your record and oblige.

**For Marine Electricals (India) Limited**
