Sub: Change in the Method of Depreciation to Straight Line Method from Written down value Method
Ref: MARSHALL- INE00SZ01018

Dear Sir,

The Method of providing depreciation has been changed to Straight Line Method from Written down value Method for the Financial Year 2020-21 and onwards.

- The rationale behind the change of depreciation method is to align with the change in Company's expectation of the pattern of consumption of the economic benefits arising from these assets in future as against the past.
- Effective 1 April 2020, method of providing depreciation and amortization for Property, Plant & Equipment and Intangible Assets by the Company has been changed to Straight Line Method from Written Down Value Method.

This is for your information and record.
Thanking You,

Sincerely Yours

For MARSHALL MACHINES LIMITED
