Bill passed: Major ports get more powers; pvt investors to get a leg-up

SHIPPING AND WATERWAYS minister Manuakh. Matru-davaya said the new Act was not intended to privatise major ports but aimed at boosting their decision-making powers in order to compete with private ports.

The major port sector hasn't seen the required level of fixed assets creation to pace the country's high logistics cost owing to legacy issues, including the TAMPA's archaic regulatory regime.

In January 2018, the Cabinet took a series of steps to put private investments via the PPP route in state-run ports. It allowed investors to share royalty with the port authorities on discounted terms, rather than as a percentage of gross revenue based on tariff ceiling fixed by the regulator at the time of bidding. Other steps announced then included easing entry to what investors in highway projects enjoy, immunity from post-mortem concession agreement threat to project viability from regulatory orders or changes in environmental and labour laws and imposition of or hikes in indirect taxes.

India has 12 major ports — Deendayal (erstwhile Kandla), Mumbai, NPT, Mormugao, New Mangalore, Cochin, Chennai, Kamarajar (earlier Ennore), V.O. Chidambaram, Visakhapatnam, Paradip and Kolkata (including Haldia). These together had handled 705 million tonnes (MT) of cargo in 2019-20.

The Major Ports Bill, 2020, was passed through ballot votes with 84 in favour and 44 against it in the Rajya Sabha on Wednesday. Lok Sabha had on September 23, 2020, passed the Bill.

AAT, in turn, invested in equity shares and had given loans and advances to its subsidiary, Shandong Dawei Himadri Chemical Industry Ltd (SDHCIL), China. There had been shortfall in the business performance of both AAT and SDHCIL compared with budgets and further changes in the technology, market, economic environment had adverse impact on the value of the investments and recoverability of loans and advances given. Due to the on-going size of operations and cost-benefit trend, both AAT and SDHCIL had been incurring losses and their net worth were fully eroded. Accordingly, the Company's investments in equity shares of AAT, amounting to Rs 52.45 crores, had been fully impaired and loans and advances given to AAT, amounting to Rs 75.54 crores, had been fully provided during the quarter and year ended 31 March 2020.

Further, the Company has issued purchase orders amounting to Rs 32.94 crores to various third-party contractors for certain works. During the quarter ended 30 September 2020, the Company received additional claim of Rs 41 crores from the EPC contractor for enhancements/additional work. The Board of Directors, in its meeting held on 22 October 2020, has decided to appoint independent engineering and financial firms for justification and conducting reconciliation of these additional claim and purchase orders. Final accounting for these claims and purchase orders would be after receipt and consideration of reports from the said firms. The management expects to receive report from the engineering firm by the end of February 2021. However, in the assessment of the management, this will not result in material adjustment to financial results.
