

The Law Society and Mastek have set up a joint venture company called Legal Practice Technologies Ltd with a 60:40 ownership structure respectively. The joint venture company will launch its testing programme later this year and will be seeking a wide range of participants to test usability of the services prior to full launch.

About Mastek

A global, enterprise-level technology solutions provider, Mastek combines the strengths of a world class product company with a specialist services organisation. We utilise agile methodologies that deliver early business value and enable organisations to adapt to dynamically transforming IT environments. Our core IT services portfolio covers application development, service management and testing, maintenance, IT consulting, systems integration, mobility, data warehousing, business intelligence and analytics.

Mastek has over three decades of extensive experience specialising in government, retail, insurance and healthcare sectors. Our flexible delivery model, which blends onsite and offshore implementation, coupled with a collaborative culture makes us a trusted partner to our customers. With 19 offices in eight countries, Mastek operates across the UK, Europe, the US, Canada, Asia-Pacific and Middle East. For further information, please visit: www.mastek.co.uk

About the Law Society

The Law Society is the independent professional body, established for solicitors in 1825, that works globally to support and represent its members, promoting the highest professional standards and the rule of law. For further information please visit: www.lawsociety.org.uk
