For **MASTEK LIMITED**

Bhagwant Bhargawe
Company Secretary.

Mastek enhances Morrisons' data management strategy as part of its business transformation programme

Food retailer Morrisons aims to boost efficiency enhance business processes and cut costs with a comprehensive data warehousing programme implemented by Mastek

Mumbai, India November 28, 2012— Mastek the global provider of enterprise-level technology services and software solutions today announced that it is working with its existing Client WM Morrisons Plc, the UK's fourth largest food retailer, to deliver a comprehensive business intelligence and data warehousing (BI/DW) solution across all areas of Morrisons' business.

Morrisons chose Mastek to deliver this programme due to their extensive experience of delivering large-scale BI/DW solutions and their flexible, collaborative approach. Due to Mastek's successful delivery on the programme so far, Morrisons have now announced Mastek as their preferred supplier for all BI projects.

About Mastek

Mastek is a publicly held (NSE: MASTEK; BSE: 523704) leading IT player with global operations providing enterprise solutions to insurance, government, and financial services organizations worldwide. With its principal offshore delivery facility based at Mumbai, India, Mastek operates across US, Europe, and Asia Pacific regions. Incorporated in 1982, Mastek has been in the forefront of technology, which along with proven methodologies and processes, increase IT value generation to its customers through onsite and offshore deliveries.
