# After PM's call, ministers, NDA CMs cut convoy size

ARCHIS MOHAN & DHRUVAKSH SAHA  
New Delhi, 13 May

Prime Minister Narendra Modi travelled from his 7, Lok Kalyan Marg residence to attend Wednesday morning's Union Cabinet meeting in a convoy of a mere two vehicles. During the meeting, he reiterated his appeal of cutting down on fuel consumption and avoiding non-essential foreign travel. Several Union ministers, National Democratic Alliance (NDA) chief ministers, and governors took his lead and announced reducing the size of their respective convoys, as did Bharatiya Janata Party (BJP) National President Nitin Nabin.

Official sources sought to dispel the perception that the PM has asked for an austerity drive. They said the Centre is not cutting capital expenditure, welfare spending, or subsidies. They said the PM's appeal is about spending more judiciously by reducing fuel consumption, avoidable dependence on imported goods and foreign-currency-intensive services.

Sources said the PM's suggestions should not be described as "austerity measures," which have a negative economic connotation. They said "austerity" usually suggests budget cuts, reduced government spending, lower subsidies, and fiscal tightening, which is not the spirit of the PM's appeal.

The central government's apex policy think tank, NITI Aayog, has decided to suspend all offline seminars, events, and conferences in view of Prime Minister Narendra Modi's appeal to citizens to conserve fuel, officials in the know said. "The decision was taken by Niti Aayog in view of the West Asia crisis. It primarily applies to a lot of conferences and seminars NITI does in its state support mission and NITI for States programmes. These are being moved online," one person aware of the orders said.

Meanwhile, road transport and highways minister Nitin Gadkari also downsized his convoy by 50 per cent for his visits outside Delhi.

The structure of these online events will now be based on the way the Prime Minister holds his post-budget webinars, the offi-

cial added.

The Maharashtra government has directed all ministers to obtain prior approval from Chief Minister Devendra Fadnavis before using aircraft for official travel. Andhra Pradesh CM N Chandrababu Naidu said the state was planning to inaugurate a gold mine in Kurunool district in June, where up to 60 per cent of the gold made in

India could be produced," which would help save foreign exchange. He suggested installing rooftop solar units on every home and in every field to generate power.

As for the size of the PM's convoy being reduced, sources said the downsizing was implemented in his recent domestic visits, including to Assam and Gujarat. The reduction was done

while maintaining essential security components as per the Special Protection Group (SPG) protocol. Modi's convoy size was cut in Gujarat and Assam, immediately after his speech in Hyderabad. Sources said the PM also asked for electric vehicles to be included in his convoy, where possible, without making new purchases.

At a meeting of the Bihar cabinet that CM Samrat Choudhary chaired, the Bihar cabinet on Wednesday approved amendments to its EV policy to ensure that at least 30 per cent of all new vehicles sold in the state by 2030 are EVs.

The state government has proposed incentives through Direct Benefit Transfer (DBT) to purchasers of commercial and non-commercial EVs.

Chhattisgarh CM Vishnu Deo Sai said he had reduced the size of his convoy and that there would be special focus on the use of EVs in future. The Maharashtra government is considering halving the number of vehicles in ministers' convoys. Bengal CM Suwendu Adhikari issued instructions to cut down vehicles in his

cavalcade as did Uttar Pradesh CM Yogi Adityanath and Rajasthan CM Bhajan Lal Sharma. Ministers in Delhi government travelled in the metro on Wednesday. Gujarat Governor Acharya Devvrat announced that he will travel within Gujarat using trains, state transport buses and public transport instead of helicopters and flights, while also reducing the size of official convoys to save fuel.

Gujarat Deputy Chief Minister Harsh Sanghvi also cancelled his planned trip to the United States, after the PM's appeal to reduce foreign travel. Congress president Mallikarjun Kharge on Wednesday said the PM is preaching austerity to citizens despite spending huge amounts on self-promotion and said the government has not bothered to increase old age pensions for the past 12 years. At the fifth meeting of the Informal Group of Ministers (IGoM) on West Asia on Monday, Defence Minister Rajnath Singh, who chaired the meeting, directed the officials to take concrete steps to implement the PM's appeal at the ground level.

## Central govt employees body seeks 'work from home', online meetings

An association of central government employees on Wednesday asked the Centre to issue guidelines on work from home, online meetings and virtual conferencing.

The move came following a call by Prime Minister Narendra Modi on cutting down avoidable expenditure due to the West Asia crisis. "The visionary leadership of hon'ble Prime Minister and the dedicated government workforce will definitely give the fruitful results of this initiative," the Central Secretariat Service (CSS) Forum said.

## NDMC allows WFH for one-third staff

The New Delhi Municipal Council (NDMC) has allowed one-third of Group B and Group C employees in its departments to work from home with immediate effect as part of measures to reduce avoidable commute, optimise fuel consumption and encourage digital-first administrative practices, according to an order issued on Wednesday. The order, issued by the Office of Director (Personnel), said the arrangement would be applicable in departments where it is administratively feasible. Employees permitted to work from home have been asked to remain accessible through official communication channels.
