Subject: Business Update – Matrix Geo Solutions Ltd.

Dear Sir/Madam,

Pursuant to our commitment to keeping stakeholders informed about key business developments, we are pleased to share a brief update on the operational and business performance of *Matrix Geo Solutions Ltd.*

1. Business Growth and Performance

Matrix Geo has witnessed sustained business momentum during Q3–Q4 FY 2025–26, driven by increased demand for drone-based surveys, LiDAR mapping, and digital geospatial solutions across various infrastructure sectors.

The company has recorded an approximate **35%–40% growth** in order book visibility compared to the same period last year.

New orders have been secured across the **Railways, Water Resources, Mining, and Renewable Power** sectors. The company is also actively participating in new tenders mainly in Urban mapping and Digital Twin modelling projects.

Matrix Geo continues to maintain a healthy execution pipeline, ensuring strong revenue visibility over the next **2–3 quarters**.

2. Market Expansion and Strategic Opportunities

Matrix Geo has initiated international business engagements in **Africa** and the **Middle East**, focusing on strategic partnership/MoU and projects related to Drone aerial mapping, Mining Solutions, Railways, Water management, and infrastructure planning.

The company is also exploring **strategic collaborations** with reputed institutions and industry partners to expand technological capabilities in **AI-driven analytics, digital twin solutions, and smart infrastructure applications**.

3. Operational and Technological Advancements

Implementation of **AI and Cloud-based ERP systems** is underway to strengthen operational efficiency and reporting transparency.

The company continues to invest in **advanced LiDAR, Drone, and GIS platforms** to maintain its leadership position in the Indian geospatial domain.

4. Outlook

With a growing order book, ongoing projects, and a robust business pipeline, *Matrix Geo Solutions Ltd.* remains confident of achieving **sustained double-digit growth** in the upcoming financial year.

The company's strategic focus on **innovation, quality execution, and diversification** continues to position it for **long-term value creation**.
