Notes:

- The above consolidated financial results of Lumax Auto Technologies Limited ("the Company"), its subsidiaries (together referred to as "the Group") and its joint ventures have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 11, 2021. The statutory auditors have carried out limited review of above financial results of the Group.
- These consolidated financial results have been prepared in accordance with the recognition and measurement principles of Indian Accounting Standards (Ind AS) as notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended. The above financial results represent the results of the Group and its share in results of joint ventures which have been prepared in accordance with Ind AS 110 - "Consolidated Financial Statement" and Ind AS 28 "Investments in Associates and Joint Ventures".
- The Group business activity falls within a single business segment i.e. manufacturing and trading of Automotive Components, accordingly there are no additional disclosures to be furnished in accordance with the requirement of Ind AS 108 - Operating Segments with respect to single reportable segment. Further, the operations of the Group is domiciled in India and therefore there are no separate geographical segment.
- The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disruptions and slowdown of economic activity. Consequent to these uncertainties, disruptions caused due to combination of pandemic, the Group has made assessment of impact of this pandemic on its business operations and has made assessment of its liquidity position for the next year. The Group has assessed the recoverability and carrying value of its assets comprising property, plant and equipment, investment properties, intangible assets, right-to-use assets, investments, inventory, advances, trade receivables, other financial and non-financial assets etc. as at period end using various internal and external information up to the date of approval of these consolidated financial results. Based on current indicators of future economic conditions, the Group expects to recover the carrying amount of these assets. Changing situation of pandemic is giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 pandemic which may be different from that estimated as at the date of approval of these consolidated financial results and the Group will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.
- The Company on July 02, 2021 had signed a Joint Venture Agreement with Aps Alpha Co. Limited, Japan to establish a Joint Venture company for the manufacturing and sale of electric vehicles and components including software related to automotive industry. The Joint Venture company was incorporated on September 21, 2021 by the name "Lumax Aps Alpha India Private Limited".
- On June 10, 2021, the Board of Directors had recommended a final dividend of ₹ 3 per equity share for the financial year ended March 31, 2021, which has been approved by the shareholders at the 46th Annual General Meeting held on August 24, 2021. Accordingly, ₹ 2,044.72 lakhs were appropriated as distribution to equity shareholders during the quarter ended September 30, 2021.
- The above is an extract of the detailed format of Financial Results for the half year/quarter ended September 30, 2021, filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Financial Results for the half year/quarter ended September 30, 2021 are available on the websites of the Stock Exchanges i.e. NSE (www.nseindia.com) and BSE (www.bseindia.com) and also on the Company's website (www.lumaxauto.com) and its subsidiaries.

NITI AAYOG V-C SAYS...

'Agri, Trade Cheer to Push Growth to 10%'

Our Bureau

New Delhi: NITI Aayog vice-chairman Rajiv Kumar said the Indian economy is expected to grow beyond 10% this fiscal year, supported by a record kharif crop, bright rabi prospects and strong rebound in trade. However, inflation is emerging as a key risk to sustainable global economic recovery with supply-chain constraints and rising energy prices, Kumar cautioned.

"We expect India's real GDP growth in FY22 to exceed 10%, supported by a record kharif crop and bright rabi prospects. This will be best rural demand and spur the revival in the manufacturing sector with improving capacity utilisation," Kumar said in the eighth edition of the newsletter arthNITI. According to Kumar, a significant increase in exports will also boost economic growth and employment generation, while the gradual pickup in contact-intensive services sector is further likely to support growth momentum.

Kumar said trade remains a rebounding strength, with much stronger imports than exports. "Higher than-expected revenue trends driven by direct and indirect taxes have provided much needed fiscal space for required policy action," he said.

TUs Planning Stir During '22 Budget Session

Our Bureau

New Delhi: The joint platform of 10 central trade unions, barring the RSS-backed Bharatiya Mazdoor Sangh, has called for a two-day general strike during the budget session of Parliament in 2022. If the government does not heed to the long-pending demands of the unions.

Besides, the joint platform, along with several other industry associations and federations, will hold a nationwide demonstration on November 26. A decision on this was made at the national convention of central trade unions on Thursday. Reiterating their demand, trade unions urged the government to scrap labour codes, repeal the farm laws and drop the Electricity Amendment Bill.

Banks Want More Provisions Included as Statutory Capital

Easing rules will free up funds for banks amid economic revival and hopes of credit pickup

Dheeraj Tiwari@timesgroup.com

New Delhi: Banks have urged the sector regulator, Reserve Bank of India, to relax norms and allow more of the provision made towards unidentified losses to be reckoned as statutory capital. At present, because of the regulatory cap, only provisions to the extent of 1.25% of the credit risk weighted assets are considered as tier II capital. If rules are relaxed, more funds can be freed up and made available for banks at a time when recovery is firming up and credit is expected to pick up.

On Wednesday, in its monthly economic report, the finance ministry said India is on its way to becoming the fastest growing major economy in the world and forecast a strong possibility of faster credit growth.

"There is a uniform view among banks that due to increased provision burden, the regulatory cap of 1.25% can be removed. We have also approached RBI to either remove the cap or increase eligible percentage so banks will benefit from the additional provisions made by them," said an executive aware of developments. As per RBI's July 2021 circular

Deeper Access

Regulatory cap of 1.25% on provisions held for unidentified losses

These provisions are counted towards tier II capital

General provisions on standard assets qualify for inclusion

Banks have urged RBI to relax or remove the entire cap

Banks' gross NPAs expected to rise to 8-9% this fiscal, Crisil

on Basel III Capital Regulations - Elements of Tier II Capital for Indian Banks, under "General Provisions and Loss Reserves" provisions held for currently unidentified losses, which are freely available to meet losses that subsequently materialise, will qualify for inclusion under

tier II capital. Accordingly, the general provisions on standard assets qualify for inclusion in tier II capital.

"With expected increase in standard assets provision on account of restructuring of stressed accounts under Covid-19 dispensations, ranging from 2% to 10%, substantial amount of provisions made will not be qualifying as tier II capital because of the cap," said another bank executive, explaining the demand for removal of the cap on amount of provision reckoned as tier II capital.

Last month in a report, rating agency Crisil had said that gross non-performing assets (NPAs) of banks are expected to rise to 8-9% this fiscal from 7.5% as on March 31, but below the peak of 11.2% seen at the end of fiscal 2020.

"With 2% of bank credit expected under restructuring by the end of this fiscal, stressed assets — comprising gross NPAs and loan book under restructuring — should touch 10-11%," it had noted in its report.

India Rejects 'Weak' WTO Fishery Text, Sees Bias Towards Developed Nations

Plans to bring together like-minded nations

Our Bureau

New Delhi: India has rejected the latest draft text on fishery drafted by the World Trade Organization (WTO) this week, saying it is imbalanced, weak and unfair, and doesn't address New Delhi's concerns on food security and livelihood of small fishers. Instead, it favours developed nations.

Ambassador Santiago Wills, chair of Negotiating Group on Rules, earlier introduced a revised draft negotiating text ahead of a key ministerial conference of WTO later this month. "We find the current text has been drafted in a manner that there will be a status quo for large fishing nations. We see the current text is weak. It is not a balanced text. It is highly in favour of advanced fishing countries," said a source in the know of details, emphasising that India is in favour

Not Acceptable

Clause by clause talks on fishery text underway in WTO

Policy space, SAGY key for developing nations

Talks move away from sustainability, goes case-by-case, says India

of stopping illegal, unreported, unregulated (IUU) fishing and supports sustainable fishing by checking harmful subsidies. According to sources, ongoing negotiations have moved away from sustainability and its goals have taken a backstage. India, along with other developing countries, is trying to point out the inequalities and unfair nature of the text and secure its interests.

"We need to have policy space to develop the fishery sector in the years to come," the source said. "The draft text made India's proposals to curb subsidies for distant water fishing and extending carve-outs to developing countries negotiable, but included the issue of forced labour in fishing activities, as proposed by the US."

India proposed that countries engaged in distant water fishing should stop giving subsidies for 25-year-old areas beyond their exclusive economic zones (200 nautical miles). It said special and differential treatment (S&DT) should be an integral part of this pact. This has been ignored in the draft, according to the source. The person cited earlier says attempts are being made to bring together countries sharing the same concerns as India.

Consider Ship Leasing a Financial Product

New Delhi: A committee for development of avenues for ship acquisition, financing and leasing from GIFT IFSC has recommended to notify vessel or equipment operating lease as a financial product to enable entities set up a unit in IFSC. The report also proposed a new category of 'Indian IFSC-controlled tonnage'.

'Tax Devolution to Exceed States' Loss from Fuel Levy Cut'

States may lose ₹44kcr from VAT reduction, but gain ₹60kcr from tax devolution, says ICRA

Our Bureau

New Delhi: States are expected to lose revenue of around ₹44,000 crore from the reduction in value added tax (VAT) on petrol and diesel, and a cut in excise duty by the Centre, but gains from the more-than-budgeted tax devolution are likely to be relatively higher at ₹60,000 crore, according to estimates by ratings firm ICRA.

However, it cautioned against the fiscal risk posed by a rise in guarantees extended by state governments to state-level entities, since contributions made by several states to their guarantee redemption funds have been low.

The excise cut on petrol and diesel will lower their VAT inflows by ₹5,000 crore, ICRA estimated. "We tentatively estimate the revenue loss to all states and UTs from the VAT cuts on these fuels at ₹10 billion (₹10,000 crore). Accordingly, their total revenue foregone is assessed at ₹44 billion (₹44,000 crore) for FY2022. In line with the expected revenue loss of the Government of India," said Aditi Nayar, chief economist at ICRA.

Nayar said the fiscal loss or revenue foregone was warranted given the benefit it will have in terms of softening the inflation trajectory and boosting the overall confidence levels of households and other economic agents.

TAX DEVOLUTION UPSIDE

On the other hand, the ratings firm expects central tax devolution to exceed the government's FY22 budget estimates of ₹6.7 lakh crore by ₹61,000 crore, and FY22 provisional actuals by ₹1.3 lakh crore. Yet, tax devolution to states was nearly unchanged at ₹2.6 lakh crore in the first half of FY21 and FY22. The devolution amount rose to ₹47,500 crore in each month of July-September.

"Based on the expected upward revision in tax devolution to ₹7.3 trillion (₹7.3 lakh crore) in FY22, the revision of the monthly amount of tax devolution at ₹75 billion in October-February FY22 will back-end the release of ₹2.3

ICRA Calculations

Excise cut will lower state VAT inflows by ₹5,000 crore

Revenue loss from fuel VAT cuts estimated at ₹45,000 crore

Total revenue foregone assessed at ₹44,000 crore for FY22

VAT petrol, diesel consumption rise at 14% and 8%, respectively

Higher monthly devolution to states will avoid back-ended transfers

Most states fiscal deficit likely to be 3.5% of GDP in FY22

trillion to March 2022, which will be inefficient from the cash flow perspective for states," Nayar said, backing the case for the government increasing monthly devolution to states to avoid back-ended transfers. "Revenue visibility will enhance confidence and allow them to expedite expenditure, especially growth supportive capital spending," she added.

ICRA expects most states to have a fiscal deficit at around 3.5% of their GDP in FY22, which will be quite manageable, and only a few states may need to borrow more than 10% of GDP. They will also have access to the back-to-back loans of over ₹1.50 lakh crore by the Centre for GST compensation, besides the carried forward borrowings from last year.

STATE-LEVEL GUARANTEES

States give guarantees to state-level entities, enabling them to borrow funds from various sources. "It is unclear how much of the recent rise in guarantees is related to non-revenue generating projects, which would eventually end up being serviced by states, making them an actual and not a contingent liability. This poses a fiscal risk, particularly given the modest contributions made by several states to guarantee redemption funds," Nayar cautioned.

मारुति की नजर अब एसयूवी सेगमेंट में पकड़ मजबूत करने पर

नयी दिल्ली/एजेंसी

देश की सबसे बड़ी कार कंपनी मारुति सुजुकी इंडिया (एमएसआई) देश में तेजी से बढ़ रही एसयूवी श्रेणी में अपनी पकड़ को मजबूत करने की तैयारी कर रही है। कंपनी के एक शीर्ष अधिकारी ने यह जानकारी दी। कंपनी ने इस कड़ी में अपनी वर्तमान श्रृंखला का विस्तार के लिए नए मॉडलों पर काम शुरू भी कर दिया है।

भारति सुजुकी की वर्तमान में है चबूक वाहन श्रेणी में 66 प्रतिशत और कुल घरेलू यात्री वाहन श्रेणी में लगभग 50 प्रतिशत हिस्सेदारी है। कंपनी के पास एसयूवी श्रेणी में फिलहाल विटारा ब्रेजा और एस-क्रॉस मॉडल हैं। भारति सुजुकी इंडिया के प्रबंध निदेशक एवं मुख्य कार्यपालक (सीईओ) अधिकारी के निचि आयुक्ता ने स्वीकार किया कि कोविड-19 के कारण नए वाहन पेश करने में समय लग रहा है, लेकिन कंपनी अब नए मॉडल पेश करने की प्रक्रिया में है। उन्होंने कहा, “हमारे पास कॉम्पैक्ट श्रेणी में पहले से विटारा ब्रेजा और एस-प्रेसो जैसे वाहन हैं। निश्चित रूप से हमारा वाहन पोर्टफोलियो कई

अन्य मूल उपकरण निर्माताओं (ओईएम) से पीछे है।” कंपनी के सीईओ ने कहा, “हम योजना बना रहे हैं और बाजार में पेश करने के लिए कुछ नए मॉडल विकसित करना शुरू कर चुके हैं। महामारी के कारण हमारा समय प्रभावित

बीच उन्होंने कहा कि कंपनी का ध्यान मुख्य रूप से पर्यावरण के अनुकूल पेट्रोल और सीएनजी वाले वाहन पेश करने पर है। कंपनी फिलहाल वास्तव में डीजल से चलने वाले वाहनों के बारे में चिंतित नहीं है।

मारुति सुजुकी का प्रोडक्शन अक्टूबर में 26 प्रतिशत घटकर 1,34,779 इकाई : घरेलू वाहन कंपनी मारुति सुजुकी इंडिया का उत्पादन

अक्टूबर, 2021 में सेमीकंडक्टर (चिप) की कमी के कारण 26 प्रतिशत घटकर 1,34,779 इकाई रहा। एक साल पहले की इसी महीने में यह 1,82,490 इकाई का था। कंपनी ने शेयर बाजार को दी जानकारी में बताया कि इलेक्ट्रॉनिक उपकरणों की कमी के कारण पिछले महीने वाहनों का उत्पादन प्रभावित रहा। कंपनी ने इसके असर को कम करने के लिए हरसंभव उपाय किए

कंपनी न बताया कि पिछले महीने उसका कुल यात्री वाहन उत्पादन 1,30,763 इकाई रहा, जो अक्टूबर 2020 में 1,76,942 इकाई का था। कंपनी की ऑल्टो और एस-प्रेसो मॉडल जैसी मिनी कारों का उत्पादन पिछले महीने 23,632 इकाई रहा। यह एक साल पहले की इसी महीने में 31,779 इकाई था। इसी तरह वेगनआर, सेलेरियो, इग्निस, स्विफ्ट, बलेनो और डिजायर समेत अन्य कॉम्पैक्ट कारों का उत्पादन अक्टूबर, 2021 में घटकर 62,824 इकाई का हो गया। इससे पिछले वर्ष के इसी महीने में यह 1,02,666 इकाई का था। कंपनी का सितंबर, 2021 महीने में कुल उत्पादन सालाना आधार पर 51 प्रतिशत घटकर 81,278 इकाई रहा था।

**महिंद्रा एक्सयूवी700 को ग्लोबल एनसीएपी
के दुर्घटना परीक्षण में फाइव स्टार रेटिंग**

नयी दिल्ली/एजेन्सी। महिंद्रा एंड महिंद्रा (एमएंडएम) के सात सीटों वाले मॉडल एसयूवी/700 को ग्लोबल एससीएपी के वाहन दुर्घटना परीक्षण में व्यवस्कों के लिहाज से पांच स्टार रेटिंग मिली है। घरेलू वाहन निर्माता एमएंडएम ने बताया कि बताया कि एसयूवी/700 को व्यवस्कों और बच्चों की सुरक्षा के लिहाज से 66 में से 57.69 अंक मिले हैं। उसने कहा कि एससीएपी द्वारा भारत की किसी भी 7 सीटर कार को दी गई यह अबतक की सबसे अच्छी सुरक्षा रेटिंग है, जो एसयूवी/700 को सबसे सुरक्षित भारतीय वाहन बनाती है। कंपनी ने बताया कि उसकी एसयूवी गाड़ी को व्यवस्कों की सुरक्षा के रूप में 17 में से 16.03 अंक और बच्चों की सुरक्षा के लिहाज से 49 में से 41.66 अंक मिले हैं। यह रेटिंग भारत की किसी भी कार को ग्लोबल एससीएपी से मिली अब तक की सर्वश्रेष्ठ सुरक्षा रेटिंग है। महिंद्रा एसयूवी/700 का आधिकारिक सुरक्षा परीक्षण ग्लोबल एससीएपी द्वारा पिछले महीने जर्मनी में आयोजित किया था। वाहन दुर्घटना परीक्षण के दौरान पांच स्टार रेटिंग कार की उच्चतम गुणवत्ता को दर्शाती है, जबकि शून्य रेटिंग सबसे खराब मानी जाती है। एमएंडएम के वैश्विक उत्पाद विकास प्रमुख वेतुसामी आर ने कहा, “जब हम एसयूवी/700 का निर्माण कर रहे थे, तो हमें विश्वास था कि इस कार पर किए अंतरिक्ष परीक्षणों के आधार पर यह पांच स्टार सुरक्षा रेटिंग हासिल करेगी। इस गाड़ी के साथ महिंद्रा ने केवल प्रदर्शन और सुविधाओं बल्कि सुरक्षा के मामले में भी एसयूवी श्रेणी को फिर से परिभाषित कर रही है।”

अगले दो साल में ईवी का दाम घटकर पेट्रोल वाहन के बराबर होगा : गडकरी

नयी दिल्ली/एजेंसा। केंद्रीय सड़क परिवहन एवं राजमार्ग मंत्री नितिन गडकरी ने कहा कि केंद्र सरकार देश में बिजली से चलने वाले इलेक्ट्रिक वाहनों (ईवी) की बिक्री बढ़ाने की दिशा में लगातार काम कर रही है। उन्होंने आगे दो साल में इलेक्ट्रिक वाहनों के दाम घटकर पेट्रोल वाहनों के बराबर हो जाएंगे। गडकरी ने कहा कि जीवाश्म ईंधन के आयात को कम करने के लिए केंद्र सरकार एथनॉल, सीएनजी जैसे वैकल्पिक ईंधन के उपयोग को बढ़ावा दे रही है। उन्होंने कहा, "हम पेट्रोल और डीजल की आवश्यकता का 80 प्रतिशत आयात करते हैं। हम आत लाह कार डीलर रुपये के पेट्रोल और डीजल का आयात करते हैं। अगर हम जीवाश्म ईंधन पर निर्भर रहेंगे, तो आगले पांच साल में हमारा आयात बढ़कर 25 लाख करोड़ रुपये हो जाएगा"। केंद्रीय मंत्री ने कहा, "हम देश में इलेक्ट्रिक वाहनों की बिक्री बढ़ाने के लिए काम कर रहे हैं और आगले दो वर्षों में आपका वाहन इलेक्ट्रिक हो जाएगा। एक पेट्रोल कार की ईंधन लागत एक महीने में 12,000-15,000 रुपये के आसपास लेकिन इलेक्ट्रिक वाहन के मामले में यह 2,000 रुपये होगी।" उन्होंने कहा कि आगले दो साल में देश में इलेक्ट्रिक वाहन की कीमत पेट्रोल वाहन के बराबर होगी।

**वोल्वो कार इंडिया ने नयी एसयूवी
एक्ससी90 पेश की, कीमत 89.9 लाख रु.**

नयी दिल्ली/एजेन्सी। वोल्वो कार इंडिया ने अपनी एसयूवी एक्ससी90 का नया संस्करण पेश किया जिसकी कीमत 89.9 लाख रुपये (एक्स-शोरूम) है। नयी एक्ससी90 पूरी तरह से नये पेट्रोल माइल्ड-हाइब्रिड इंजन के साथ 1,969 सीसी के साथ आती है। वोल्वो कार इंडिया ने एक बयान में कहा कि यह कंपनी की डीजल से पेट्रोल कारों की तरफ बढ़ने की प्रतिबद्धता को पूरा करता है और वैश्विक स्तर पर ब्रांड के कार्बन फुटप्रिंट को कम करने की दिशा में है। सात सीटों वाली एसयूवी सहज टच स्क्रीन इंटरफेस जैसी सुविधाओं के साथ आती है। कंपनी ने कहा कि इसमें उन्नत एयर क्लीनर तकनीक भी है जिसमें केबिन के अंदर पीएम 2.5 के स्तर को मापने के लिए एक सेंसर लगा है।

PERSONAL FINANCE / MONEY MATTERS

होम लोन के लिए लैंडर को अप्रोच करने से पहले जानें ये 5 फैक्टर्स

कॉमर्स डेस्क

इन दिनों होम लोन इंस्टीट्यूट रेट कई सालों के न्यूनतम स्तर पर है। उस पर रियल एस्टेट की कीमतों में भी कुछ सालों में कोई बदलाव नहीं आया है। इसलिए घर खरीदने वालों के लिए यह स्थितियाँ फायदे का सौदा है। बहुत से इवेंस्टर्स देश के कई शहरों में इन दिनों प्रॉपर्टी खरीद रहे हैं। लेकिन अगर आप होम लोन लेने का सोच रहे हैं तो लैंडर को प्रॉपोज करने से पहले कुछ बातें जान लें।

1. **इलिजबिलिटी** : जिने आमाउंट का होम लोन आप लेना चाहते हैं, वह कुछ फैक्टर्स पर डिपेंड करता है, जैसे आपकी इन्कम, उम्र, क्रेडिट स्कोर, लोन इन्कम वगैरह। लोन राशि तय करते समय इन्कम का ग्रेड सबसे अहम होता है। इसके लिए आप अपने पति या पत्नी की इनकम शो कर उन्हें को-एप्लीकेंट बना सकते हैं। इससे होम लोन इलिजबिलिटी काफी दृढ़ तब बढ़ जाती है। लैंड के लोन देने पर आप अपनी इन्कम का 50 पर्टेंट तक ईएमआई दे सकते हैं। लोन टैय्योर बढ़ा कर भी इलिजबिलिटी बढ़ाई जा सकती है, क्योंकि इससे ईएमआई कम हो जाती है। बॉरोअर नेट पर अवलेबल इलिजबिलिटी कैलकुलेटर्स से अपनी होम लोन इलिजबिलिटी चेक कर सकते हैं। फाइनल डिसीजन से पहले 3, 4 या 5 लैंड्स को एप्रोच करना बेहतर हो सकता है।

2. **रेट ऑफ इट्रेस्ट** : अगर आप होम लोन के लिए बैंक को एप्रोच कर रहे हैं तो होम लोन पर ऑफर्ड इट्रेस्ट रेट बाहरी बेंचमार्क से लिंक होगी। बैंक की लैंडिंग रेट आरबीआई रैपेरो से लिंक होती है। जब भी आरबीआई रैपेरो रेट

चेंज होती है,तीन महीने बाद बॉरोअर के लिए होम लोन इंस्ट्रेट रेट भी चेंज हो जाती है। खास तौर पर तब,जब आपकी होम लोन इंस्ट्रेट रेट मैक्सिमम हो। बैंक की एक्सपर्टनल बेंचमार्क रेट को रैपेड लिंकड लैंडिंग रेट (आरएलएलआर) कहा जाता है। जरूरी है कि बॉरोअर को इसके बारे में मालूम हो। फिर देखें कि कितना होम लोन है और कितनी इंस्ट्रेट रेट लगेगी। आरएलएलआर बैंकों के लिए फ्लोर रेट हो सकती है। इसके ऊपर इंडिक्जुअल बॉरोअर के लिए एट कुछ अलग हो सकती है। यह लोन अमाउंट और टर्न-ओवर पर डिपेंड करता है। हाऊसिंग फाइनेंस कम्पनी या एनबीएफसी के केस में लैंडिंग रेट फंड्स की कोस्ट पर बेस्ड होती है,फिर भी वह आरबीआई रैपेड रेट से प्रभावित होती है। ऐसे लैंड चुनं जिनकी आरएलएलआर या लैंडिंग रेट कम हो।

3. क्रेडिट स्कोर
इम्पैक्ट : आपकी क्रेडिट प्रोफाइल बहुत महत्वपूर्ण होती है और इसी के आधार पर लैंडर्स आपको कम इंटरैस्ट रेट ऑफर कर पाते हैं। लैंडर्स 750 से ज्यादा क्रेडिट स्कोर

प्रिफर करते हैं। कंपिटिटिव रेट ऑफ इस्ट्रेट पर होम लोन लेकर आप काफी सेविंग कर सकते हैं। मार्केट में कई लैंड बैक्रेडि्ट स्कोर के आधार पर बॉरोअर को कम इस्ट्रेट रेट ऑफर कर रहे हैं। अगर आपका क्रेडिट स्कोर 750 से कम है तो इसे बढ़ाने के लिए जरूरी उपाय कर सकते हैं और फिर लोन के लिए लैंड्स के पास जा सकते हैं।

4. डाउन पेमेंट : ज्यादातर लैंडर्स मकान की कीमत का 80 से 90 प्रतिशत अमाउंट लोन दे देते हैं। डाउन पेमेंट का अमाउंट आपको खुद अपने सोर्स से जुटाना
