2.	Expected financial implications, if any, due to compensation, penalty etc.;	Currently, there are no material operational or financial implications as a result of the Order. The Company continues to closely monitor this matter and its operational and financial implications.
3.	Quantum of claims, if any;	Not applicable.
4.	Other information	Based on legal advice, the Company is of the view that the declarations on the product labels in question are in compliance with the current applicable legal and regulatory framework in India and are consistent with long-standing industry practice. The Company has therefore challenged the Order by filing a Writ Petition on 1st August 2026, Saturday before the Hon'ble Bombay High Court. The Company is aware of certain media reports, and the Press Release dated 2nd August 2026 issued by the FSSAI in relation to the matter. As the matter is currently sub judice before the Hon'ble Bombay High Court, the Company does not consider it appropriate to comment further at this stage. This is also being taken up with the FSSAI by the industry associations, viz., Confederation of Indian Alcoholic Beverage Companies (CIABC) and the International Spirits & Wines Association of India (ISWAI) as this is an industry wide concern. This disclosure is being made on the first working day after filing of Writ Petition. The delay in disclosure was due to the time needed for verification of facts and information with multiple internal stakeholders.
