3.	Brief Description of Litigation	<p>This is further to prior Stock Exchange intimations dated 15th August 2023, 21st May 2024, and 1st October 2025.</p> <p>Pursuant to the directions of Bombay HC <i>vide</i> its order dated 26th September 2025, WRD issued a letter dated 20th March 2026 (received on 24th March 2026) to the Company, computing the total due payable, within 30 days, of INR 441.95 crore towards water charges for the period November 2018 to February 2026 ('Demand'), after adjusting/ setting-off the deposit of INR 66.50 crore made by the Company pursuant to the directions by Bombay HC and also certain additional adjustments based on re-categorization of usage. The WRD did not comply with the High Court's directions to ensure compliance with the Principles of Natural Justice. The Company was not granted a hearing and WRD failed to consider the material placed on record by the Company. WRD also failed to provide a copy of its purported study based on which it computed and made the above-mentioned demand.</p> <p>The Company challenged the Demand by filing Writ Petition before Bombay HC, <i>inter-alia</i>, on the grounds that the said letter and the basis of computation of the Demand are contrary to and in violation of the earlier judgment dated 26th September 2025.</p> <p>The Bombay HC <i>vide</i> order dated 5th May 2026, issued notices to the Respondents. However, no ad-interim protection was granted to the Company, and the writ petition remains pending adjudication. After consideration of the facts of the matter and based on advice from external counsel, the Company filed a Special Leave Petition (SLP) before the Hon'ble Supreme Court of India seeking interim protection against any coercive action by WRD.</p> <p>By its order dated 12th May 2026, the Supreme Court granted four weeks to USL to deposit INR 50 Crores with the Court, and not WRD, as an interim measure, during which WRD is restrained from taking any coercive action against USL.</p>
